you evaluated your disclosure controls and procedures *and* internal control over financial reporting as of the interim date. As the requirement for management to assess internal control over financial reporting is an annual requirement please tell us whether you performed a complete assessment of internal control over financial reporting as of December 31, 2010. If a complete assessment was performed as of those dates, please revise future filings to include a statement of management's responsibility for establishing and maintaining adequate internal control over financial reporting for the registrant as required by Item 308 of Regulation S-K. If a complete assessment was not performed on those dates, please amend the filing to remove the disclosure regarding the evaluation of internal control over financial reporting as of the interim periods.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In responding to our comment, please provide a written statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

You may contact Kristin Lochhead at (202) 551-3664 or Gary Todd, Accounting Reviewer, at (202) 551-3605 if you have questions regarding comments on the financial statements and related matters. Please contact Aslynn Hogue at (202) 551-3841 or Mary Beth Breslin, Senior Attorney, at (202) 551-3625 with any other questions.

Sincerely,

Amanda Ravitz
