BBC America, page F-15

1. We note from your response to comment two of our letter dated June 17, 2015, your description of the authority of the Editorial Committee and what that authority excludes. Please expand upon your description to explain the activities of the Editorial Committee and contrast further its activities with the programming decision-making that is performed by the Operations Committee. Examples may promote our understanding of the activities of each committee as it relates to programming decision-making. In addition, explain to us why the actions undertaken by the Editorial Committee do not represent a most important activity of the Joint Venture.
2. We note from your disclosure on page 53 that BBCW's put right is only exercisable on the fifteenth and twenty-fifth year anniversary of the agreement. Please explain to us why you believe BBCW's put right is substantive.
