H.J.R. 459

RECEIVED

NAY 4 1993

GOVERNOR'S OFFICE

Enrolled, House Joint Resolution,

A RESOLUTION RELATING TO CONSTRUCTION OF THE HUNTSVILLE TOLL BRIDGE AND HIGHWAY PROJECT;
APPROVING A PROPOSED PLAN OF FINANCING THE COST OF CONSTRUCTION OF A FORTY-ONE MILE TOLL ROAD AND BRIDGE ACROSS THE TENNESSEE RIVER BY ALABAMA TOLL FACILITIES, INC., A CORPORATION ORGANIZED UNDER THE LAWS OF THE STATE OF ALABAMA; THE LEGISLATURE AGREEING TO ACT AS SPONSOR FOR THE PROJECT; RECOGNIZING THE NEED FOR THE ISSUANCE OF THE CORPORATION'S BONDS TO FINANCE THE PROJECT; ACCEPTING A GRANT OF TITLE TO SUCH FACILITY IN THE NAME OF THE STATE OF ALABAMA UPON RETIREMENT OF THE BONDS TO BE ISSUED PURSUANT TO SUCH PLAN; LIMITING THE SOURCE OF FINANCING TO PRIVATE FUNDS; PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Legislature of the State of Alabama (the "Legislature") recognizes the need to utilize additional financial resources to meet the needs of the State highway, bridge and transportation system, including the use of toll and private financing to create new facilities or improve existing transportation facilities; and

WHEREAS, the Legislature of the State of Alabama is advised by representatives of Alabama Toll Facilities, Inc. (the "Corporation"), that the Corporation is organized and existing under and pursuant to the provisions of the laws of

|----|--|
| 2  | deems it advisable to borrow money and to issue its Alabama    |
| 3  | Toll Facilities, Int., Revenue Bonds (bonds) and to mortgage   |
| 4  | and pledge as security for the bonds, the corporation's        |
| 5  | interest in the property comprising the project and the        |
| 5  | revenues to be derived from the operation of the toll road;    |
| 7  | and  |
| 8  | WHEREAS, it is the intention of the Legislature that           |
| 9  | the project be financed by the corporation without the use or  |
| 10 | plodge of any State of Alabama funds or federal funds; now     |
| 11 | therefore,   |
| 12 | BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH             |
| 13 | HOUSES THEREOF CONCURRING, That we hereby express our support  |
| 14 | for approval of the construction of the Alabama Toll Road      |
| 15 | Project as follows:  |
| 16 | 1. This resolution shall be entitled "Support for              |
| 17 | the Alabama Toll Road Project."                                |
| 18 | 2. The Legislature urges the approval of the                   |
| 19 | purposes and activities of the corporation, particularly the   |
| 20 | financing, construction, acquisition, and operation of the     |
| 21 | project, including issuance of the bonds, subject to           |
| 22 | subsequent approval of the bond documents and other conditions |
| 23 | and restrictions.  |
| 24 | J. The Legislature suggests that, if the project is            |
| 25 | approved, bonds should be special obligations of the           |

### BURSE

corporation payable from revenues of the toll road, secured by a mortgage on the corporation's interest in the project and an assignment of the revenues to be derived from the operation thereof, all as should be provided in accordance with the terms of the indenture of mortgage and trust which should be executed by and between the corporation and a trust company or bank having trust powers.

- 4. The Legislature suggests that proceeds from the sale of bonds should be used only for the specific corporate purpose of providing funds for the financing of the cost of the project and the payment of the expenses of developing the project and issuing the bonds, and the corporation should not make any profit by reason of any business or venture in which it may engage or by reason of the acquisition of the project and its subsequent operation, and no part of the net earnings of the corporation, if any, should inure to the benefit of any private person, firm, or corporation and should be retained by the corporation for lawful corporate use.
- 5. The Legislature suggests that such a transaction should contemplate and provide an arrangement whereby all of the right, title, and interest of the corporation in and to all the real and personal property constituting the project would vest in the state upon retirement of the bonds.
- 6. The Legislature notes that the corporation has requested the Legislature to state its intentions with respect

B

#### ETK"6

with such project and incur expenses for its initiation and its financing. The Legislature recognizes that this plan of financing the project and the state's acceptance of title to the project upon retirement of the bonds should qualify the bonds as tax-exempt governmental obligations for purposes of the Internal Revenue Code of 1986 as amended, which would result in a reduction of the interest expenses of the corporation with respect to financing the project.

7. In order to induce the corporation to locate and establish the project in the area of operation of the state and incur expenses for the initiation of the project and its financing, the Legislature hereby expresses support for designating the corporation as the exclusive entity for the accomplishment of the suggested purposes set forth herein and urges the acceptance of title in the name of the State of Alabama to the real and personal property constituting the project upon retirement of any bonds issued if the reccipta from any such bonds sold would provide sufficient sums of money to finance the cost of the complete acquisition and construction of the project and that the money would be so used.

8. The Legislature further states its intent that, if the project is adopted, the Legislature should bear no part of the cost of the project, or any expense of the operation of

8.TR.55

- the project, or of such financing; and the Legislature would
- 2 not incur any responsibility for paying the principal of or
- 3 interest on any such bonds proposal or operating or
- 4 maintaining the project.

      the State of Alabama and intends to provide for the
      construction of a four-lane, limited access toll road from
 2
      U.S. Highway I-65 northerly for a distance of approximately 41
 3
 4 .
      miles to the Tennessee River, and construction of a four-lane
      toll bridge across the Tennessee River connecting roadways
 5
      within the City of Huntsville to Cullman County and points
 6
      South ("Project"), said Project constituting the first phase
 7
 8
      of a roadway intended to access the Alabama coast; and
 9
                WHEREAS, the Corporation has further advised the
10
      Legislature that it intends to organize and operate as a
11
      non-profit corporation organized pursuant to Section 501(c)3
      of the Internal Revenue Code in order to finance the cost of
12
      acquisition and construction and equipping of the Project and
13
      the Corporation deems it advisable to borrow money and to
14
15
      issue its Alabama Toll Facilities, Inc., Revenue Bonds (the
      "Bonds") and to mortgage and pledge as security for the Bonds,
16
17
      the Corporation's interest in the property comprising the
      Project and the revenues to be derived from the operation
18
      thereof; and
19
.20
                WHEREAS, it is the intent of the Corporation and the
      Legislature that the Project be financed by the Corporation
21
      without the use or pledge of any State of Alabama funds or
22
      federal funds; now therefore,
23
24
                BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH
25
      HOUSES THEREOF CONCURRING:
                Section 1. This Resolution shall be entitled
26
      "Construction of the Huntsville Toll Bridge and Highway
27
      Project."
28
                 Section 2. The purposes and activities of the
29
30
      Corporation, particularly the financing, construction,
31
      acquisition and operation of the Project, including issuance
```

of the Bonds, subject to subsequent approval of the Bond

32

documents and other conditions and restrictions are approved as set forth herein.

- 6

Section 3. The Bonds must be special obligations of the Corporation payable from revenues of the Project, secured by a mortgage on the Corporation's interest in the Project and an assignment of the revenues to be derived from the operation thereof, all as must be provided in accordance with the terms of the Indenture of Mortgage and Trust which must be executed by and between the Corporation and a trust company or bank having trust powers.

Section 4. The proceeds from the sale of the Bonds shall be used only for the specific corporate purpose of providing funds for the financing of the cost of the Project and the payment of the expenses of developing the Project and issuing the Bonds, and the Corporation may not make and must not make any profit by reason of any business or venture in which it may engage or by reason of the acquisition of the Project and its subsequent operation, and no part of the net earnings of the Corporation, if any, will inure to the benefit of any private person, firm or corporation and must be retained by the Corporation for lawful corporate use.

Section 5. The transaction must contemplate and provide an arrangement whereby all of the right, title and interest of the Corporation in and to all the real and personal property constituting the Project shall vest in the State upon retirement of the Bonds.

Section 6. The Corporation has requested the Legislature to state its intentions with respect to the Project in order to induce them to proceed with such Project and incur expenses for its initiation and its financing. The Legislature recognizes that this plan of financing the Project and the State's acceptance of title to the Project upon

retirement of the Bonds will qualify such Bonds as tax-exempt governmental obligations for purposes of the Internal Revenue Code of 1986 as amended, which will result in a reduction of the interest expenses of the Corporation with respect to financing the Project. The condition that the State, through the Legislature of the State of Alabama, accept title to such facilities, in accordance with the terms hereof, upon retirement of the Bonds is an important factor under consideration by the Corporation and their advisors in determining the financing feasibility of the proposed Project, said financial feasibility to first be determined before the commencement of the Project. 

Section 7. In order to induce the Corporation to locate and establish the Project in the area of operation of the State and incur expenses for the initiation of the Project and its financing, the Legislature, in accordance herewith, hereby authorizes and designates the Corporation as the exclusive entity for the accomplishment of the purposes set forth herein and consents to accept title in the name of the State of Alabama to the real and personal property constituting the Project upon retirement of the Bonds to be issued by the Corporation to finance the cost of the acquisition and construction of the Project, provided receipts from the Bonds sold provide sufficient sums of money to finance the cost of the complete acquisition and construction of the Project and that the money is so used.

Section 8. Nothing herein contained shall be construed to create any obligation, direct, indirect or contingent, on the part of the Sponsor to pay any part of the cost of the Project, or any expense of the operation of the Project or of such financing, or to pay the principal of and/or interest on any such proposed Bonds, or to operate and

| by the Corporation or at such time as the transfer of the  Project to the Sponsor shall become absolute.  Section 9. This Resolution shall become effective immediately upon its adoption. ## SJR56

By Senators Little (Z), Denton, Lindsey, Mitchem, Sanders, Barron, and Smitherman

ENROLLED, SJR56,

EXPRESSING SUPPORT FOR THE ALABAMA TOLL ROAD PROJECT.

WHEREAS, the Legislature of the State of Alabama (Legislature) recognizes the need to utilize additional financial resources to meet the needs of state highways, bridges, and transportation systems, including the use of toll and private financing to create new facilities or improve existing transportation facilities; and

WHEREAS, the Legislature is advised by representatives of Alabama Toll Facilities, Inc. (the corporation), that the corporation is organized and existing under and pursuant to the provisions of the laws of the State of Alabama and intends to provide for the construction (project) of a four-lane, limited access toll road (toll road) from the Orange Beach area to the Tennessee State Line, connecting roadways within the State of Alabama; and

WHEREAS, the corporation has further advised the Legislature that it is organized to operate as a nonprofit corporation pursuant to Section 501(c)3 of the Internal Revenue Code in order to finance the cost of acquisition and construction and equipping of the project and the corporation deems it advisable to borrow money and to issue its Alabama Toll Facilities, Inc., Revenue Bonds (bonds) and to mortgage and pledge as security for the bonds, the corporation's interest in the property comprising the project and the revenues to be derived from the operation of the toll road; and

WHEREAS, it is the intention of the Legislature that the project be financed by the corporation without the use or pledge of any State of Alabama funds or federal funds; now therefore,

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That we hereby express our support for approval of the construction of the Alabama Toll Road Project as follows:

- 1. This resolution shall be entitled "Support for the Alabama Toll Road Project."
- 2. The Legislature urges the approval of the purposes and activities of the corporation, particularly the financing, construction, acquisition, and operation of the project, including issuance of the bonds, subject to subsequent approval of the bond documents and other conditions and restrictions.
- 3. The Legislature suggests that, if the project is approved, bonds should be special obligations of the corporation payable from revenues of the toll road, secured by a mortgage on the corporation's interest in the project and an assignment of the revenues to be derived from the operation thereof, all as should be provided in accordance with the terms of the indenture of mortgage and trust which should be executed by and between the corporation and a trust company or bank having trust powers.
- 4. The Legislature suggests that proceeds from the sale of bonds should be used only for the specific corporate purpose of providing funds for the financing of the cost of the project and the payment of the expenses of developing the project and issuing the bonds, and the corporation should not make any

profit by reason of any business or venture in which it may engage or by reason of the acquisition of the project and its subsequent operation, and no part of the net earnings of the corporation, if any, should inure to the benefit of any private person, firm, or corporation and should be retained by the corporation for lawful corporate use.

- 5. The Legislature suggests that such a transaction should contemplate and provide an arrangement whereby all of the right, title, and interest of the corporation in and to all the real and personal property constituting the project would vest in the state upon retirement of the bonds.
- 6. The Legislature notes that the corporation has requested the Legislature to state its intentions with respect to the project in order to induce the corporation to proceed with such project and incur expenses for its initiation and its financing. The Legislature recognizes that this plan of financing the project and the state's acceptance of title to the project upon retirement of the bonds should qualify the bonds as tax-exempt governmental obligations for purposes of the Internal Revenue Code of 1986 as amended, which would result in a reduction of the interest expenses of the corporation with respect to financing the project.
- 7. In order to induce the corporation to locate and establish the project in the area of operation of the state and incur expenses for the initiation of the project and its financing, the Legislature hereby expresses support for designating the corporation as the exclusive entity for the accomplishment of the suggested purposes set forth herein and urges the acceptance of title in the name of the State of Alabama to the real and personal property constituting the project upon retirement of any bonds issued if the receipts from any such bonds sold would provide sufficient sums of money to finance the cost of the complete acquisition and construction of the project and that the money would be so used.
- 8. The Legislature further states its intent that, if the project is adopted, the Legislature should bear no part of the cost of the project, or any expense of the operation of the project, or of such financing; and the Legislature would not incur any responsibility for paying the principal of or interest on any such bonds proposal or operating or maintaining the project.
