General

1. Refer to the third paragraph on page F-3. The audit report of DBB McKennon states that its audit was conducted "in accordance with auditing standards generally accepted in the United States. . . ." Form 8-A may be used for concurrent Exchange Act registration to the extent that the audited financial statements are audited in accordance with the standards of the PCAOB. Please have the independent auditor revise its report accordingly. Refer to General Instruction A.(a) to Form 8-A.

We will consider qualifying your offering statement at your request. If a participant in your offering is required to clear its compensation arrangements with FINRA, please have FINRA advise us that it has no objections to the compensation arrangements prior to qualification.
