File No. 000-55175**

Dear Mr. Daniels:

We have limited our review of your filing to the issue addressed in the following comment.

Please respond to this letter by amending your filing and providing the requested information. If you do not believe our comment applies to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your filing and the information you provide in response to our comment, we may have additional comments.

Amendment to the Company's Articles of Incorporation to authorize 10,000,000 preferred shares, page 6

1. We note that your board of directors and majority stockholders have approved an amendment to the company's articles of incorporation to authorize 10,000,000 preferred shares, resulting in additional authorized but unissued shares. Please expand your disclosure to describe any specific plans, arrangements or understandings, whether written or oral, to issue any of the shares that will be newly available as a result of the amendment to the company's articles of incorporation.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
