**Re: Akoustis Technologies, Inc.
Amendment No. 1 to Registration Statement on Form S-1
Filed September 25, 2015
File No. 333-206186**

Dear Mr. Shealy:

We have reviewed your amended registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments. Unless we note otherwise, our references to prior comments are to comments in our September 3, 2015 letter.

General

1. In several places throughout the registration statement, you state that descriptions of certain agreements are qualified in their entirety by reference to the full text of the agreements. As you are responsible for the accuracy of the information in the filing, this type of disclaimer is not appropriate. Please revise accordingly.

Description of Business

Challenges Faced By the Mobile Device Industry, Page 44

2. We have reviewed the Mobile Experts report provided in response to prior comment 1, but were unable to locate support for the statement in your filing that "the demand for high frequency or 'high band' filters has exploded." Please revise or advise.
