Amendment No. 3 to Draft Registration Statement on Form S-1

General

1. We note your disclosure that highlights the impacts of Hurricane Idalia, as well as the damages caused by the wildfires in Maui. You state that you are still evaluating the costs of those and other significant events as part of your normal third quarter close. To the extent that you determine that these events will lead to significantly greater reserves than you reported in other periods presented, please update the disclosure with appropriate recent events disclosure.
