Amendment No. 1 to Draft Registration Statement on Form S-1  
Submitted October 31, 2019  
CIK No. 0001628171**

Dear Dr. Goldsmith:

We have reviewed your amended draft registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by providing the requested information and either submitting an amended draft registration statement or publicly filing your registration statement on EDGAR. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing the information you provide in response to these comments and your amended draft registration statement or filed registration statement, we may have additional comments. Unless we note otherwise, our references to prior comments are to comments in our October 16, 2019 letter.

Amendment No. 1 to Draft Registration Statement on Form S-1

Prospectus Summary

Overview, page 1

1. We note your revised disclosure on page 1 and throughout in response to comment 1 that RMC-4630 is a potent and selective inhibitor of SHP2, "based on preclinical evidence described in this prospectus." Please provide a summary of the preclinical studies in the prospectus summary, including the range of results observed, a description of how the test was conducted and the number of tests conducted. Similarly, on page 103, please revise to include a summary of the preclinical study conducted with RMC-4530, including the range of results observed, how the test was conducted and the number of tests conducted.
