We have reviewed the accompanying balance sheet of Sam Lee Laundry, LLC as of December 31, 2016, and the related statements of income, retained earnings, and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Accountant's Responsibility

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of my procedures provide a reasonable basis for our report.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

Commitments and Contingencies

The Company has entered into a “Theatrical Production Agreement” with Boxcar Theatre, Inc. (“Boxcar”), in accordance with which it will produce the Play at a venue leased by Boxcar. Boxcar entered into a building lease agreement on January 20, 2015. The term of the lease agreement is ten years. The Term may be extended by three additional periods of five years. The monthly base rent is \$15,083 and \$22,625 for Year 1 and Year 2, respectively, and a consecutive increase by 3% for every forthcoming year. The Theatrical Production Agreement does not require the Company to guarantee any portion of Boxcar’s lease payments, but Boxcar’s ability to meet its obligations under the lease may be affected by ticket sales of the Company’s productions.

Advertising and Promotion

The cost of advertising and promotion is expensed as incurred. For the year ended December 31, 2016, the Company incurred advertising and promotion expenses of \$36,694.

Income Taxes

The Company has elected to be taxed as a partnership for federal income tax purposes. The Company’s information filings submitted to the Internal Revenue Service for the federal jurisdiction

of the United States for tax years 2015 and 2016 will remain subject to review until expiration of the statutory period in 2019 and 2010, respectively.

The Company is subject to franchise tax requirements in the State of California. The Company's California franchise tax filings for 2015 and 2016 remain subject to review until expiration of the statutory period in 2020 and 2021, respectively.

Concentration Risks

Financial instruments that potentially subject the Company to credit risk consist of cash and cash equivalents. The Company places its cash and cash equivalents with a limited number of high quality financial institutions and at times may exceed the amount of insurance provided on such deposits.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Examples include future cash flows for consideration of impairment losses. Actual results could differ from those estimates.

Note C – Going Concern

The accompanying financial statements have been prepared assuming the Company will continue as a going concern. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

It is the conclusion of management that the Company shall be able to meet its obligations during the next twelve months. The Company will conduct an equity crowdfund offering during the first and second quarter of 2016 for the purpose of raising additional operating capital. The Company's ability to continue as a going concern may be dependent on the success of the offering or management's other efforts to raise funds.

Note D - Capital Contributions

In addition, the Company has entered into agreements with several contractors that specify compensation in the form of equity interests in lieu of cash. The Company only enters into such agreements when they result in a reduction in cash expenditures and not as a form of incentive or bonus compensation. During the year ended December 31, 2016, the Company awarded Series A equity interests equal to a \$54,373 capital contribution to contractors, and has recorded this interest as a non-cash capital contribution in the Statements of Financial Condition.
