Selected Consolidated Financial and Other Data, page 52 and Results of Operations, page 58

7. Pro forma net (loss) income per Class A common share disclosed here for the periods presented here are not consistent with such disclosures on page 49 and 51 respectively. Please revise to present consistent disclosures as appropriate or advise.

The Transactions

Offering Transactions, page 39

8. We note the disclosure on page 37 that upon consummation of the contributions and reclassification transactions before the offering, the number of Holdco LLC interests allocated to Registrant will be 5,665,574. You also indicate on page 41 that from the proceeds of the offering Registrant will purchase 5,666,667 LLC interests from Holdco. However, you disclose that following the offering, Registrant will have 11,751,347 LLC interests equal to the shares of Class A common stock issued to Certain Sponsors and investors in this offering. Please reconcile and revise your disclosures as appropriate.

Use of Proceeds, page 41

9. We note your disclosure that from the net proceeds of the offering of \$74.6 million, you intend to pay off the preference notes in the aggregate amount of \$52.5 million and

purchase 5,666,667 newly issued LLC interests from Holdco at purchase price per interest equal to the public offering price per share of Class A common stock. Show us how the net proceeds from the offering will be sufficient to pay off the preference notes and purchase newly issued LLC interests from Holdco. Revise your disclosures as appropriate.

Unaudited Pro Forma Consolidated Financial Information, page 46

10. Please revise to disclose the ownership of HoldCo LLC interests held by Continuing LLC owners and Registrant prior to the offering and upon completion of offering.

Unaudited Pro Forma Consolidated Balance Sheet Data as of March 31, 2017, page 48

11. We note that current liabilities and non-current liabilities sections of as adjusted before offering and pro forma PetIQ columns are incomplete. In addition, total of equity in transaction adjustments and as adjusted before offering columns do not foot. Please revise.
12. For each of the adjustment provided in the transaction adjustments and offering adjustments columns, please provide a footnote to explain the nature of the adjustment and how you derived the amount.
13. Please disclose how the deferred tax assets arose and explain the basis for recording such assets.
14. We note your disclosure on page 37 that Class A and Class B shares as being outstanding upon consummation of the contributions and reclassification transactions. However, no dollar amounts are shown for the Class A and Class B shares in the pro forma as adjusted before offering and pro forma PetIQ columns. In addition, number of Class A and Class B shares authorized, issued and outstanding are not presented. Please revise or advise.
15. You state on page 41 that Registrant will purchase from the net proceeds of the offering 5,666,667 newly issued LLC interests from Holdco at a purchase price per interest equal to the initial public offering price per share of Class A common stock. Show us how this transaction is reflected in the offering adjustments and Pro forma PetIQ. Revise your disclosures as appropriate.
16. Please tell us what Holdco's net assets were on a pro forma basis before the offering adjustments. Explain how the amounts presented in the as adjusted before offering column for Registrant's equity and equity attributable to non-controlling interest were computed. Please explain your basis in GAAP for the amounts presented. Revise your disclosures as appropriate.
17. We note the amounts you plan to include in the equity section of the pro forma PetIQ column. It appears based upon your disclosures on page 49 that after the offering, the

Registrant will have a 58% economic interest in Holdco and the remaining 42% economic interest will be attributable to the non-controlling interest. Please tell us what Holdco's net assets were on a pro forma basis after the offering and explain how the amounts presented in the pro forma PetIQ column for Registrant's equity and equity attributable to non-controlling interest were computed. If the equity attributable to non-controlling interest in the pro forma PetIQ column is not 42% of Holdco's net assets on a pro forma basis, please explain your basis in GAAP for the amounts presented. Refer to ASC 810-10-45-23. Please consider the impact on other parts of your filing, as well.
