

1

00:00:11,466 --> 00:00:15,833

JEFF Hey, everybody! It's Jeff and Paul, cofounders of Legion M, coming at you from the Legion M caddy.

2

00:00:15,834 --> 00:00:20,500

We just want to take a second and tell you how excited we are about what we're doing.

3

00:00:20,501 --> 00:00:25,266

And how excited that, for the first time in history, people like you have a chance to be a part of it.

4

00:00:25,267 --> 00:00:28,000

PAUL: But we also want to point out that there's risk involved.

5

00:00:28,001 --> 00:00:32,166

And so before you make the investment, we just want to make sure you understand what you're getting into.

6

00:00:32,167 --> 00:00:36,000

JEFF: Early-stage investing is all about risk versus reward.

7

00:00:36,001 --> 00:00:41,667

You're getting in on the very ground floor of Legion M, which means that there's a ton of potential upside.

8

00:00:41,668 --> 00:00:46,733

We like to think that it's like investing in Walt Disney Studios back when it was just Walt and Roy.

9

00:00:46,734 --> 00:00:48,933

PAUL: But there's also some downside, right?

10

00:00:48,934 --> 00:00:55,333

So it could end up being more like an investment in Pets.com, or Webvan or Jellycloud.

11

00:00:55,334 --> 00:00:58,333

JEFF: Jellycloud? What is Jellycloud?

PAUL: You don't know Jellycloud?

12

00:00:58,334 --> 00:01:00,166

JEFF: I'm not on Jellycloud.

PAUL: Aw.

13

00:01:00,167 --> 00:01:04,500

JEFF: The point is, statistically, most startup companies fail.

14

00:01:04,501 --> 00:01:09,166

And so it's not a place to put your retirement savings, or your college funds.

15

00:01:09,167 --> 00:01:13,200

PAUL: I mean, we want your kids to go to college.

JEFF: Definitely want your kids to go to college.

16

00:01:13,201 --> 00:01:18,667

Our advice to anyone considering investing in Legion M or any startup company for that matter

17

00:01:18,668 --> 00:01:23,566

is that if you can't afford to lose your entire investment, don't write the check.

18

00:01:23,567 --> 00:01:26,000

PAUL: Or write a smaller check.

JEFF: Exactly.

19

00:01:26,001 --> 00:01:31,000

Because if you are willing to bear some risk and you do want to swing for the fences,

20

00:01:31,001 --> 00:01:38,133

we're investing our money, our jobs, and our careers on the fact that we can make this a successful company.

21

00:01:38,134 --> 00:01:44,333

PAUL: And we can promise you that we're gonna do everything we can to make this the best investment you ever made.

22

00:01:44,333 --> 00:01:47,500

And also to hopefully have some fun with it.

23

00:01:47,501 --> 00:01:52,500

JEFF: So if after listening to all this, you're all in, you're still interested – join us.

24

00:01:52,501 --> 00:01:56,000

Come on in. It's gonna be a hell of a ride.

PAUL: Let's do this.

25

00:02:09,866 --> 00:02:11,633

JEFF: Oh, hi. I didn't see you there.

26

00:02:13,000 --> 00:02:19,566

JEFF: It's like investing in Disney back when – what?

PAUL: Look at this place.

27

00:02:19,567 --> 00:02:23,000

We're driving through a nuclear wasteland.

28

00:02:23,000 --> 00:02:26,666

JEFF: There's plenty of room in the caddy. Back with the Emmy award.

29

00:02:26,667 --> 00:02:29,233

Which we neglected to mention.

PAUL: That's right.
