Jordan Schindler

CEO @Clothing 2.0 | Founder @Nufabrx | Simplifying Health and Wellness | EY Entrepreneur of the Year Finalist | CBJ 40 Under 40 Charlotte, North Carolina, United States

Summary

Global Leader in HealthWear, simplifying Health and Wellness: #1 Charlotte Business Journal Fastest Growing, Deloitte Fast 500 #2 Fastest Growing Pharmaceutical Company in North America, INC. 5000 #50 Fastest Growing Company in America. EY Entrepreneur of the Year Finalist. CBJ 40 Under 40.

Developed and launched a new category of health and wellness products to 8-figure revenue and nationwide retail, including Million dollar grants from Department of Defense and Massachusetts Institute of Technology University (MIT). Products available nationwide at Walmart, Walgreens, CVS and more. Published in numerous articles from USA Today, Forbes, GQ, Esquire, CNET, Daily Mail, Golf Week and Textile World; featured speaker by NCSU, Dornbirn Global Fiber Conference, IFAI, Medtrade, Techtexil, WTIN and the Southeast Defense Summit. Inventor on U.S patent no. 61/566,707, and US Patent 9,669,012.

Clothing 2.0 is an innovative technology company focused on controlled delivery of active ingredients (medication and topicals) through clothing; effective delivery lasts through 15+ wash cycles. Health and wellness reimaged simply by getting dressed in the morning. Built upon the success of Nufabrx Pain line, the company has developed numerous other active ingredient infused products, from anti-fungal to eczema to acne, with many other applications currently under collaboration with industry leading partners and brands. Getting healthy has never been easier. For more information, please visit www.Clothing2.com.

Experience

Clothing 2.0

CEO and Founder @ Clothing 2.0

June 2023 - Present (8 months)

Creators of the first-of-its-kind, patented smart-textile technology platform, built by award-winning designers and PhD scientists, infusing active ingredients directly into garments. The technology seamlessly integrates medication and textiles to create wearable clothing, HealthWear™, and simplifies health and wellness for consumers like never before. Built upon the success of Nufabrx Pain line, the company has developed numerous other active ingredient infused products, from anti-fungal to eczema to acne, with many other applications currently under collaboration with industry leading partners and brands. Getting healthy has never been easier. For more information, please visit www.Clothing2.com.
