Amendment No. 13 to Form S-1

Liquidity, Capital Resources and Plan of Operations, page 45

1. We note that you are currently in negotiations to extend the maturity date of your \$1,296,018 and \$222,222 Notes Payable to investors. Please revise to address the status of the \$880,000 Note Payable to stockholder, which is also due October 31, 2019 and clarify whether you are currently negotiating to extend this Note as well. Tell us whether you expect negotiations for all past due Notes Payable to be completed prior to effectiveness of this offering and if so, revise to indicate as such. Alternatively, revise to include a discussion of the Note holders' rights should you default on such Notes and the effect that such default(s) will have on your financial position, operations and liquidity.
