Washington D.C. Metro Area · 500+ connections · [Contact info](#)

Neighborhood Sun

University of Miami

## Experience

### CEO

Neighborhood Sun

Jan 2016 – Present · 4 yrs 6 mos

Silver Spring, Maryland

Founder and CEO of one of Maryland's first community solar companies, bringing solar power to residents, businesses, and community organizations to save them money and support clean renewable locally produced energy. We are a social enterprise with a triple bottom-line focus, turning consumers into communities. Neighborhood Sun is your partner for community solar.

- Community outreach and customer acquisition
- Solar project development
- Customer management

## Education

### University of Miami

MA, Communications - Journalism

1994 – 1995

Activities and Societies: Coverage of Florida legislature and election.

I did an intense one year Master's program in communication, specializing in broadcast journalism. This program provided me with my initial tools in visual story-telling and concise communication.

### Vassar College

Bachelor of Arts (B.A.), Religion and Political Science

1988 – 1991

Activities and Societies: Debate Team Student Newspaper

I took a broad liberal arts course of studies, learning how to think critically and communicate effectively.

### The Hebrew University

1990 – 1990

Studied abroad at the Hebrew University for a semester, living near Mt. Scopus campus.

## Recommendations

**Received (4)**

**Given (7)**

**Laura Pagliarulo, LEED AP**

Senior Vice President, Community Solar, Commercial Sales and Energy Innovation at CleanChoice Energy

March 23, 2015, Laura worked with Gary but at different companies

Gary is an intelligent, thoughtful and strategic marketer, with deep knowledge of the green energy industry and a natural entrepreneurial spirit. I have enjoyed working with Gary during time at WGL Energy--he is a results driven professional always willing to explore new strategies and tactics to motivate... [See](#)

**Leon Keshishian**  
Chief Operating Officer  
Palmetto

October 21, 2011, Gary worked with Leon in the same group

Gary is a true visionary in the environmental change space. His tireless work towards the switch to clean and sustainable energy before and while at Clean Currents was a drive force behind our success.
