Brent Beerley

President at Community Energy

February 8, 2013, Brent was senior to Ian but didn't manage directly

Ian is smart and hard working with excellent relationship building skills. At Community Energy, Ian came up the curve very quickly - becoming our in-house expert on solar policy across various markets while also originating behind-the-meter projects. It is also a pleasure to work with...

Joel Thomas

Executive Vice President of Development at Community Energy, Inc.

January 21, 2013, Ian worked with Joel in the same group

Ian has an unparalleled ability to acquire, retain, and convey details of complicated, rapidly changing renewable energy markets. Ian is an effective communicator who also responds in the face of change and adversity.
