hobbyDB is the ultimate compendium of every collectible ever made, letting users take an interactive trip into who made what, when, where and much more, allowing them to research, reminisce, manage their collections and buy/sell. Think eBay meets IMDB/Wikipedia, for collectibles. Collectibles are everything from model cars, planes, boats & trains, comics, action figures, baseball cards, records, R/C, slot cars, anime & manga, superheroes, movie & music memorabilia and more. hobbyDB also operates other websites such as PopPriceGuide and The Toy Peddler.
