Therefore, you hereby represent and warrant as follows:

(a) The information that you have provided the Company through the Site and the information currently being provided by you is true and correct as of the date hereof, and your previously made representations are hereby confirmed; should any information change prior to the issuance of Securities to you, you agree to immediately provide the Company with the corrected information.

(b) You confirm that you understand and fully considered, for purposes of your investment, the terms of the offering, and that there are substantial restrictions on the transferability of and there will be no public market for the Securities at this time or in the immediate future, and, accordingly, it may not be possible for you to liquidate your investment in the Securities in case of emergency.

(c) You have been furnished with materials relating to the Company, the offering of the Securities, and anything described in the Company’s OS which you have requested; and you have been afforded an opportunity to make inquiries concerning the Company, or any of its affiliates, the terms and conditions of the Offering, or any other matters relating to the issuance of the Securities, and have further been afforded the opportunity to obtain any additional information

necessary to verify the accuracy of any representations or information set forth in the Company's OS (to the extent the Company or its affiliates possess such information or could acquire it without an unreasonable effort or expense).

(d) You have not been given any offering literature, other than the information available on the Site, the Company's approved materials, this Agreement and the Company's OS, and you have relied only on the information contained in this Agreement, in the OS and the information the Company furnished or made available to you.

The Designated Lead Investor is an intended third-party beneficiary of this Section 4(a) and Section 4(c) and has the right, power and authority to enforce the provisions hereof as though it was a party hereto.

The Proxy has no duties or responsibilities except those expressly set forth in this instrument, and no implied covenants, functions, responsibilities, duties, obligations or liabilities on behalf of the Investor otherwise exist against the Proxy. The Investor shall indemnify, defend and hold harmless the Proxy from and against any and all losses, liabilities, damages, claims, penalties, fines, forfeitures, actions, fees, costs and expenses (including the fees and expenses of counsel and experts and their staffs and all expense of document location, duplication and shipment) (collectively, "Proxy Losses") arising out of or in connection with any act done or omitted in the Proxy's capacity as representative of the Investor pursuant to this instrument, in each case as such Proxy Losses are suffered or incurred; provided, that in the event that any such Proxy Losses are finally adjudicated to have been directly caused by the gross negligence or willful misconduct of the Proxy, the Proxy (or, in the case of the CEO, the Company) shall reimburse the Investor the amount of such indemnified Proxy Losses to the extent attributable to such gross negligence or willful misconduct (provided that the Proxy's aggregate liability hereunder shall in no event exceed the Purchase Amount). The Company, Unitholders of the Company and any other third party may rely upon any decision, act, consent or instruction of the Proxy as being the decision, act, consent or instruction of the Investor. The Company, Unitholders of the Company and any other third party are hereby relieved from any liability to any person for any acts done by them in accordance with such decision, act, consent or instruction of the Proxy.

(d) The Investor hereby agrees to take any and all actions determined by the Company's board of directors in good faith to be advisable to reorganize this instrument and any shares of the Units issued pursuant to the terms of this instrument into a special-purpose vehicle or other entity designed to aggregate the interests of holders of Safe.
