### Experience

**Founder**

Orthogonal

Dec 2016 – Present • 1 yr 8 mos

Hawaii

Blockchain + Cannabis = Liquid Gold

Orthogonal is a holding company and ecosystem that unites the desire to make money with doing good for the planet and society. We focus on a wide range of successful innovations from food and plant sciences to blockchain technology and crypto currency. By pooling our collective resources and diverse team knowledge we incubate our holdings and provide strategic partnerships to help scale each to their greatest potential... for investors. And the planet.

Work on deals that make a difference in the world. With or without making money.

Energy, Cannabis, Space, Food, Tech, Recycling, Farming, Health Care, Natural Healing & Wellness, Cancer & Aids Research. I don't believe we are in this world to suffer and not make a difference.
