Dear Junling Liu:

Please respond to these comments within ten business days by providing the requested information or advise us as soon as possible when you will respond.

Form 20-F for the Year Ended December 31, 2022

Item 16I. Disclosure Regarding Foreign Jurisdictions that Prevent Inspections, page 149

1. We note your statement that you reviewed your register of members and public filings made by your shareholders in connection with your required submission under paragraph (a). Please supplementally describe any additional materials that were reviewed and tell us whether you relied upon any legal opinions or third party certifications such as affidavits as the basis for your submission. In your response, please provide a similarly detailed discussion of the materials reviewed and legal opinions or third party certifications relied upon in connection with the required disclosures under paragraphs (b)(2) and (3).

2. We note that your disclosures pursuant to Items 16I(b)(2), (b)(3) and (b)(4) are provided for you and your “material operating entities.” Please note that Item 16I(b) requires that you provide disclosures for yourself and your consolidated foreign operating entities, including variable interest entities or similar structures, and does not contemplate limiting the disclosure.
  - With respect to (b)(2), please supplementally clarify the jurisdictions in which your consolidated foreign operating entities are organized or incorporated and provide the percentage of your shares or the shares of your consolidated operating entities owned by governmental entities in each foreign jurisdiction in which you have consolidated operating entities in your supplemental response.
  - With respect to (b)(3) and (b)(4), please provide the required information for you and all of your consolidated foreign operating entities in your supplemental response.
3. In order to clarify the scope of your review, please supplementally describe the steps you have taken to confirm that none of the members of your board or the boards of your consolidated foreign operating entities are officials of the Chinese Communist Party. For instance, please tell us how the board members’ current or prior memberships on, or affiliations with, committees of the Chinese Communist Party factored into your determination. In addition, please tell us whether you have relied upon third party certifications such as affidavits as the basis for your disclosure.
4. With respect to your disclosure pursuant to Item 16I(b)(5), we note that you have included language that such disclosure is “to our best knowledge.” Please supplementally confirm without qualification, if true, that your articles and the articles of your consolidated foreign operating entities do not contain wording from any charter of the Chinese Communist Party.
5. We note that your disclosure pursuant to Item 16I(b)(5) refers to “our company.” It is unclear from the context of your disclosures pursuant to Item 16I(b) whether terms such as this are meant to encompass you and all of your consolidated foreign operating entities or whether in some instances these terms refer solely to 111, Inc. Please note that Item 16I(b) requires that you provide each disclosure for yourself and your consolidated foreign operating entities, including variable interest entities or similar structures. To clarify this matter, please provide the information required by Item 16I(b)(5) for you and all of your consolidated foreign operating entities in your supplemental response.
