## Offering Statement

Respond to each question in each paragraph of this part. Set forth each question and any notes, but not any instructions thereto, in their entirety. If disclosure in response to any question is responsive to one or more other questions, it is not necessary to repeat the disclosure. If a question or series of questions is inapplicable or the response is available elsewhere in the Form, either state that it is inapplicable, include a cross-reference to the responsive disclosure, or omit the question or series of questions.

Be very careful and precise in answering all questions. Give full and complete answers so that they are not misleading under the circumstances involved. Do not discuss any future performance or other anticipated event unless you have a reasonable basis to believe that it will actually occur within the foreseeable future. If any answer requiring significant information is materially inaccurate, incomplete or misleading, the Company, its management and principal shareholders may be liable to investors based on that information.

Yes  No

### DIRECTORS OF THE COMPANY

4. Provide the following information about each director (and any persons occupying a similar status or performing a similar function) of the issuer.

----------	----------------------	---------------	-------------------------

For three years of business experience, refer to [Appendix D: Director & Officer Work History](#).

For three years of business experience, refer to [Appendix D: Director & Officer Work History](#).

*INSTRUCTION TO QUESTION 5: For purposes of this Question 5, the term officer means a president, vice president, secretary, treasurer or principal financial officer, comptroller or principal accounting officer, and any person that routinely performing similar functions.*

#### PRINCIPAL SECURITY HOLDERS

6. Provide the name and ownership level of each person, as of the most recent practicable date, who is the beneficial owner of 20 percent or more of the issuer's outstanding voting equity securities, calculated on the basis of voting power.

Name of Holder	No. and Class of Securities Now Held	% of Voting Power Prior to Offering
Yannis Moati	88666.67 Units	33.25

*INSTRUCTION TO QUESTION 6: The above information must be provided as of a date that is no more than 120 days prior to the date of filing of this offering statement.*

*To calculate total voting power, include all securities for which the person directly or indirectly has or shares the voting power, which includes the power to vote or to direct the voting of such securities. If the person has the right to acquire voting power of such securities within 60 days, including through the exercise of any option, warrant or right, the conversion of a security, or other arrangement, or if securities are held by a member of the family, through corporations or partnerships, or otherwise in a manner that would allow a person to direct or control the voting of the securities (or share in such direction or control – as, for example, a co-trustee) they should be included as being “beneficially owned.” You should include an explanation of these circumstances in a footnote to the “Number of and Class of Securities Now Held.” To calculate outstanding voting equity securities, assume all outstanding options are exercised and all outstanding convertible securities converted.*

#### BUSINESS AND ANTICIPATED BUSINESS PLAN

7. Describe in detail the business of the issuer and the anticipated business plan of the issuer.

For a description of our business and our business plan, please refer to the attached [Appendix A, Business Description & Plan](#)

*INSTRUCTION TO QUESTION 7: Wefunder will provide your company's Wefunder profile as an appendix (Appendix A) to the Form C in PDF format. The submission will include all Q&A items and “read more” links in an un-collapsed format. All videos will be transcribed.*

*This means that any information provided in your Wefunder profile will be provided to the SEC in response to this question. As a result, your company will be potentially liable for misstatements and omissions in your profile under the Securities Act of 1933, which requires you to provide material information related to your business and anticipated business plan. Please review your Wefunder profile carefully to ensure it provides all material information, is not false or misleading, and does not omit any information that would cause the information included to be false or misleading.*

#### RISK FACTORS

**The U.S. Securities and Exchange Commission does not pass upon the merits of any securities offered or the terms of the offering, nor does it pass upon the accuracy or completeness of any offering document or literature.**

**These securities are offered under an exemption from registration; however, the U.S. Securities and Exchange Commission has not made an independent determination that these securities are exempt from registration.**

8. Discuss the material factors that make an investment in the issuer speculative or risky:

The Company may never receive a future equity financing or elect to convert the Securities upon such future financing. In addition, the Company may never undergo a liquidity event such as a sale of the Company or an IPO. If neither the conversion of the Securities nor a liquidity event occurs, the Purchasers could be left holding the Securities in perpetuity. The Securities have numerous transfer restrictions and will likely be highly illiquid, with no secondary market on which to sell them. The Securities are not equity interests, have no ownership rights, have no rights to the Company's assets or profits and have no voting rights or ability to direct the Company or its actions.

A lack of funding to scale our business may be detrimental to progress. We are

relying on investments to scale our company to greater profitability.

Antiquated hospitality technology makes it very difficult for us to integrate or persuade businesses to use our technology.

Competition with other larger travel companies could limit our expansion. Expedia is an example of a competitor.

A failure to maintain our current customer base or to attract new customers, would negatively affect our business.

Loss of team talent due to poor funding. We are reliant on a small management team and a loss to any of these key members along with a failure to attract new talent may be problematic for our business.

In an economic recession, people tend to spend less money on luxuries, including hotels. In the case of an economic recession, this could cause a downward trajectory to our revenues.

If a sex ring is caught using our app, the publicity could be damaging to our reputation and brand.

We could be subject to a breach of our technology which would result in a loss of privacy for our customers.

Tony Cheung and Eddy Kaljic are part-time officers, which may result in diminished time being committed to the company.

*INSTRUCTION TO QUESTION 8: Avoid generalized statements and include only those factors that are unique to the issuer. Discussion should be tailored to the issuer's business and the offering and should not repeat the factors addressed in the legends set forth above. No specific number of risk factors is required to be identified.*

### **Management's Discussion and Analysis of Financial Condition and Results of Operations**

You should read the following discussion and analysis of our financial condition and results of operations together with our financial statements and the related notes and other financial information included elsewhere in this offering. Some of the information contained in this discussion and analysis, including information regarding the strategy and plans for our business, includes forward-looking statements that involve risks and uncertainties. You should review the "Risk Factors" section for a discussion of important factors that could cause actual results to differ materially from the results described in or implied by the forward-looking statements contained in the following discussion and analysis.

#### **Overview**

Historically, hotels have been unwilling to offer rooms just for the day, sticking instead to rigid check-in and -out times. We created HotelsByDay to make it easy for customers to find and book single day stays. We designed the platform to make it easy for hoteliers to add this new revenue stream and protocol to their current booking system. Intuitively, it makes sense. Financially, it does too - we've brought in \$8M+ in gross booking revenues.

Booking hotel rooms just for the day is a win-win situation for all parties: hotel owners get 50% net revenue of a day room when it would otherwise be empty, guests have flexible options to relax during the day, and we make a 15% commission on each room. We're the day room leaders in North America; we plan to bring our easy-to-use platform to the millions of travelers and hoteliers across the globe.

#### **Milestones**

Hospitality Innovated, LLC was incorporated in the State of New York in July 2014.

Since then, we have:

- \$8M+ in gross bookings revenue to date.
- 84K+ bookings.

- 49k+ guests
- 148% YOY ITD ave. growth
- 40k ave. monthly unique visitors
- 30% customers are repeat users
- 800+ hotels in North America, London, Israel.
- Featured in over 150 press articles, TV shows, and multiple podcasts

#### Historical Results of Operations

- *Revenues & Gross Margin.* For the period ended December 31, 2018, the Company had revenues of \$383,895.65 compared to the year ended December 31, 2017, when the Company had revenues of \$238,110.40. Our gross margin was 13.85% in fiscal year 2018, compared to 14% in 2017.
- *Assets.* As of December 31, 2018, the Company had total assets of \$235,732.36, including \$65,206.06 in cash. As of December 31, 2017, the Company had \$222,775 in total assets, including \$7,555 in cash.
- *Net Income.* The Company has had net income of \$24,617.12 and net losses of \$7,500 for the fiscal years ended December 31, 2018 and December 31, 2017, respectively.
- *Liabilities.* The Company's liabilities totaled \$1,999 for the fiscal year ended December 31, 2018 and \$30,744 for the fiscal year ended December 31, 2017.

#### Liquidity & Capital Resources

To-date, the company has been financed with \$652,000 in equity.

After the conclusion of this Offering, should we hit our minimum funding target, our projected runway is 12 months before we need to raise further capital.

We plan to use the proceeds as set forth in this Form C under "Use of Funds". We don't have any other sources of capital in the immediate future.

We will likely require additional financing in excess of the proceeds from the Offering in order to perform operations over the lifetime of the Company. We plan to raise capital in 12 months. Except as otherwise described in this Form C, we do not have additional sources of capital other than the proceeds from the offering. Because of the complexities and uncertainties in establishing a new business strategy, it is not possible to adequately project whether the proceeds of this offering will be sufficient to enable us to implement our strategy. This complexity and uncertainty will be increased if less than the maximum amount of securities offered in this offering is sold. The Company intends to raise additional capital in the future from investors. Although capital may be available for early-stage companies, there is no guarantee that the Company will receive any investments from investors.

#### Runway & Short/Mid Term Expenses

Hospitality Innovated, LLC cash in hand is \$49,679.86, as of March 2019. Over the last three months, revenues have averaged \$107,995.59/month, cost of goods sold has averaged \$0/month, and operational expenses have averaged \$108,737.66/month, for an average burn rate of \$742.07 per month. Our intent is to be profitable in 12 months.
