Experience

Chairman & Founder
Blue World Voyages LLC
2015 – Present • 3 yrs
Miami, Florida

Blue World Voyages is a new concept cruise/travel start-up inviting active, health conscious adults to cruise differently. A departure from conventional cruise lines, Blue Ocean Voyages introduces an exclusive niche focused on unparalleled experiences in fitness, well-being and relaxation at sea combined with leisurely port stays in attractive destinations. Our first ship, a 300-passenger will be deployed in May of 2018 on six-month Miami/Cuba inaugural sailings followed by Costa Rica and Peru/Chile voyages. Our 5-star, all-inclusive product features itineraries based on sports/fitness, spa/relaxation, cultural immersion and educational opportunities combined with great food and wine.
