Volunteer Experience

American Book Ambassador to Guatemala

active For Education Cooperative For Education
Jan 2004 – Jan 2004 • 1 mo
Children

I am proud to support such a brilliant organization that has had a positive impact on tens of thousands of children that live in rural Guatemala. Co-Ed is efficiently run with low administration expenses, and is a self sustaining model that has spawned new computer labs that have connected ambitious minds to the rest of the world.
