

Alan Pagni · 3rd

Senior Application Development Engineer at Materia  
Greater Los Angeles Area · 347 connections · [Contact info](#)

Materia

University of Oregon

## Experience

### Senior Application Development Engineer

Materia

Oct 2018 – Present · 1 yr 11 mos

Pasadena, CA

Formulation and process design for novel thermoset systems serving oil and gas, wind energy, injection molding, and composite applications.

### General Plastics Mfg. Co.

5 yrs 6 mos

#### Senior Product Development Scientist

Sep 2014 – Feb 2018 · 3 yrs 6 mos

Tacoma, WA

Designed and developed new materials and systems for a variety of applications including aerospace, telecom, automotive, marine, oil/gas, and nuclear power.

Headed efforts through all stages of product life cycle. Led cross functional teams in [...see mor](#)

#### Supervising Product Development Chemist

Sep 2012 – Sep 2014 · 2 yrs 1 mo

Tacoma, WA

Led our technical team of scientists and engineers in the development of new products and management of current processes. Responsibilities included design/development, formulation, characterization, process development/manufacturing engineering, process optimization, and continuous improvement.

### Product Development Chemist

Willamette Valley Company

Jan 2004 – Aug 2012 · 8 yrs 8 mos

Eugene, Oregon Area

Designed and formulated polymeric coating, binder, adhesive, and elastomer systems for engineered wood products, textiles, infrastructure engineering/remediation, and architectural applications. Responsible for managing all stages of a product's life cycle.

## Education

### University of Oregon

Master of Science - MS, Polymer Science - Materials Science Institute

### University of Oregon

BS, Organic and Biochemistry

## Skills & Endorsements

### Product Development · 14

Endorsed by **John Murray, who is highly skilled** at this

Endorsed by **2 of Alan's colleagues** at **Ge Plastics Mfg. Co.**

### R&D · 11

**Ken Riddle and 10 connections** have given endorsements for this skill

### Polyurethane · 9

Endorsed by **3 of Alan's colleagues** at **Willamette Valley Company**
