BA, Business Management Economics
2006 – 2010
Activities and Societies: University Economics Association, Toastmasters, Delta Omega Chi Fraternity.

BA, Business Management Economics
2006 – 2010
Activities and Societies: University Economics Association, Toastmasters, Delta Omega Chi Fraternity.

Since the age of 16, I have had the ambition to become a hedge fund or mutual fund manager. I have developed an obsession in stock market analysis, and this has of course led me to my course of study in Economics with a particular interest in Finance and Mathematics.

University of Cambridge

BA, Economics
2008 – 2008

For the summer of 2008 I studied International Economics courses at the University of Cambridge. My courses included Understanding Economics in a Globalised Setting, Political Finance and International Economics, and Minds and Markets.
