Rosanna Nadeau

Principal Consultant-Prism Perspectives Group, HR Consultants Building Organization Performance

July 28, 2014, Rosanna worked with Joe but at different companies

I have had the good fortune to work with Joe Clark since 2013, when our initial meeting created the beginnings of an excellent working relationship. As a Certified Partner with Prana Business, I have received outstanding support from Joe in using the Prana Line-of-Sight organization assessment tool. In addition, Joe's coaching has dramatically strengthened my knowledge of the impact strategy execution has on employee engagement and organization performance. These are my primary services as a consultant, I have tremendous respect for Joe as a leader in business strategy and as a leader and mentor and coach with Prana. Anyone working with Joe, regardless of seniority in the field, will have the opportunity to learn a great deal from Joe. I recommend Joe without reservation.
