Colorado Leadership Institute - Crestcom

Oct 2011 – Present · 6 yrs 11 mos

Greater Denver Area

Colorado Leadership Institute is involved in developing strategic skills for management at all levels in order to enable them to achieve their business goals. Our professional development seminars challenge, encourage and inspire individuals to develop and refine 10 core leadership skills in order to improve profitability. Because profitability is maximized through the productivity and performance of all team members, superior leadership skills are essential in a constantly changing business environment. Our goal is twofold: To assist clients in reaching their full personal and professional potential, and to help companies of all sizes realize their full potential with engaged and fulfilled employees.
