Medical Devices for the First Nine Months of Life

Amnion Life is a medical device research and development company in pursuit of innovative medical devices for preterm infants. Its breakthrough product, patented Amniotic Incubator is in the prototpe testing phase and is expected to begin its first pilot clinical trial in early 2019.

Book Author

Iran's Nowruz Revolution: Legacy of Violence, Promise of Nonviolence and Celebrations as Civil Disob

Sep 2012 – Present · 6 yrs 3 mos
<https://www.amazon.com/Irans-Nowruz-Revolution-Celebrations-Disobedience/dp/1478>

It is said that two invincible forces were created in the 20th century: the atom bomb and nonviolence. IRAN'S NOWRUZ REVOLUTION examines the potential for nonviolence as a force against one of the last ruthless religious regimes still in power today.
