## Experience

### Alpine Law PLLC

#### Managing Attorney

January 2017 - Present (5 years 5 months)

US (California, New York, MI, HI) & China (Shanghai, Nanjing) & Canada (ON, AL)

Core practice areas: Securities, International Business, Tax, Commercial and Contracts, Healthcare law, Labor & Employment law, Technology and Intellectual Property Law, and Finance law; Experienced with multinational start-ups

With years of experience in assisting clients with legal services and business operations, I have served as both an outside and an in-house counsel. I have worked with businesses at various stages, from startup, to small businesses, to international corporations. With a strong understanding of core business and the ability to translate business needs into legal requirements, I have helped many companies with equity financing, IP protection, to establish policies and procedures, and to draft and negotiate transnational contracts.

As an attorney licensed in two countries and bilingual in English and Chinese, I am experienced in international establishment and expansion of business and strategic planning in US, China, and Canada.
