500+ connections

Together, with innovative thinking and new age exponential tools, we can address healthcare's greatest challenges. AI, blockchain, wearables and the IoT are poised to profoundly change how we deliver, and even how we define healthcare. But It will take the entire community of stakeholders from patients to...

Robert Kaul
Founder, President & CEO at Cloud DX, Inc.
October 14, 2015, Robert managed Sonny directly

Sonny Kohli is a Cloud DX co-founder, board member, medical director and leader of Team Cloud DX in the Qualcomm Tricorder XPRIZE. Those titles are impressive but they don't convey the true roles and value that Sonny has brought to our organization. Sonny has literally been the lynchpin that has bound ... See more
