## Golden Moon Distillery Launches WeFunder Crowd Funding Campaign

Founded in 2008, Golden, Colorado-based [Golden Moon Distillery](#) is an award winning 'House of Brands' that produces premium whiskies and spirits.

Golden Moon has officially launched the test phase of a [WeFunder crowd funding campaign](#), available for initial consideration now. WeFunder is an equity crowdfunding platform that Golden Moon is using to accelerate growth and share the upside of their success with the people who know them best and believe in their mission.

The raise is currently in the "testing the waters" mode while Golden Moon finalizes its SEC filings, so prospective investors can reserve a spot and actually invest once everything is filed in a few weeks. *Disclaimer: This is not a solicitation. No money or other consideration is being solicited. No offer to buy securities will be accepted and no part of the purchase price will be received until a Form C is filed and only through WeFunder's platform.*
