Thank you all for your support of Golden Moon Distillery and Speakeasy over the years! The Golden Moon Distillery team have been preparing to raise capital from our friends and supporters on the investment platform WeFunder.com.

We are planning on publicly launching this capital raise next week.

Before we do, we would love your (our friends and connections) feedback on our raise ... and we'd love you to consider investing as well.

For those that want to invest early, we've included a 10% discount for the first \$100,000 of the raise.

We've structured this raise so that you can easily invest as little as \$250 or a lot, and we've included a variety of perks at various investment levels as well.

Our raise is currently in the "testing the waters" mode while we finalize our paperwork and SEC filings, so if you choose to invest, you'll only be making a reservation at this time - not actually investing yet. Once we complete our SEC filing in the coming weeks, you'll be able to make your investment.

We've decided to raise funds on WeFunder to accelerate our growth and share the upside of our success with the people who know us best - our family, friends and customers. You are our foundation. So we're inviting you to become an actual stockholder in the company.

Why invest?

- We've spent years developing our whiskies and spirits.
- We've spent years "beta testing" our products by putting them out in markets across the country, plus markets in Europe and Asia to prove that they will sell.
- We've built a world class production facility, giving us the production capacity to grow exponentially.
- We've fielded sales teams in Colorado and proven that with feet on the street our sales will grow exponentially (70+% in 2020 during COVID, and on track to exceed that in 2021).
- Now we need the resources to field sales teams in our other key markets, and to support them with sales programing, marketing and PR.

Now, we're offering YOU the chance to become a part of our story ... to help us grow.
