Edward Lando

Entrepreneurial Investor

September 18, 2016, Edward worked with Chai in the same group

Edward is the best angel investor in the field. Period. He has an uncanny ability to understand a founder's vision and the pure brilliance to help them build it faster and better. Any young startup would be fortunate to have him as an advisor and an investor. He's a rockstar and if you're a founder, you need him.

Leo V.

Blockchain Developer, Founder at Vulcan Link

August 18, 2016, Chai managed Leo directly

Leo takes initiative, moves fast and gets things done. He's a great asset, to say the least. As a manager, you really can't ask for more than the opportunity to work alongside people like Leo. Absolute delight to be around. Great worker, good friend.
