CATEGORY:

Deli/Meat/Gift/Sauces

DESCRIPTION:

Our flagship bacon spread bursting with sweet and salty bacon goodness, this flavor pairs well with foods at any meal. Go traditional and try it on a burger or with breakfast foods, or take party hors d'oeuvres like crackers with goat cheese or brie from ordinary to exceptional.

Peppered bacon offers a balance to sweetness and that perfect kick to step up the complexity of flavor. Perfect for deli sandwiches, steak, fish and grilled foods — spruce up those veggies (our favorite is Brussels sprouts)!

Just the right amount of sweet chili, garlic and bacon give this bacon spread flavor a warm, barbecue-like taste. Step up main dishes such as pork tenderloin, wings and scallops, or make a killer mac 'n cheese combo.
