In the great expanse of sci-fi narratives, seldom does the hero call upon faith. The Shift is a modern-day, sci-fi story of conviction that takes a lot of its cues from the Book of Job. The hero, who finds the universe is against him, calls upon a higher power! Sounds a little more relatable than space lasers, in our opinion.

Join Brock and Orlando, creative team of The Shift, and Kyle, Editor in Chief of The Babylon Bee, as they discuss the possibilities of The Shift in the sci-fi entertainment industry.

theshiftfilm Did you see this? 🤔🤔 The number of pledges is rising so fast and so quickly we completely missed the moment when we passed \$2M and here we are now at \$2.1M!

It really, REALLY feels like there's some interest in making this movie happen. And why? Because we need better Christian movies and stories. It's just that simple.

Learn more and see where we're at now at the link in our bio.

Please note that we are not accepting investment at this time. We are only gauging interest to help us decide if we should open another round of crowdfunding.

Legal makes us say this last part: (1) no money or other consideration is being solicited, and if sent, will not be accepted; (2) no offer to buy the securities can be accepted and no part of the purchase price can be received until the offering statement is filed and only through an intermediary's platform; (3) a prospective purchaser's indication of interest is non-binding.

## The Shift Film

GAUGING INTEREST in an investment opportunity. We are creating a feature-length film called "The Shift" and the plan is to partner with Angel Studios for distribution, the same studio that brought you "The Chosen."

We are not accepting funds at this time but are gauging interest to see who would be interested in investing in the film "The Shift" if we launched a crowdfunding investment.

You can watch the short film that has already raised over \$700,000 for the feature film. Check it out and the potential investment opportunity at [angel.com/theshift](https://angel.com/theshift).
