

## The Shift Film

October 22 at 1:46 PM · 🌐

Did you see this? 😱😱 The number of pledges is rising so fast and so quickly we completely missed the moment when we passed \$2M and here we are now at \$2.1M!

It really, REALLY feels like there's some interest in making this movie happen. And why? Because we need better Christian movies and stories. It's just that simple.

Learn more and see where we're at now at [angel.com/theshift](https://angel.com/theshift)

Please note that we are not accepting investment at this time. We are only gauging interest to help us decide if we should open another round of crowdfunding.

Legal makes us say this last part: (1) no money or other consideration is being solicited, and if sent, will not be accepted; (2) no offer to buy the securities can be accepted and no part of the purchase price can be received until the offering statement is filed and only through an intermediary's platform; (3) a prospective purchaser's indication of interest is non-binding.
