

## Email (TTW)

As you likely know from the content we send out, my partners and I started CalTier to give as many people as possible the opportunity to invest in typically hard-to-reach investments such as **commercial real estate**.

Over the last 24 months, we have continued rapidly towards our goal of being one of the leading **crowdfunding real estate brands in the market**, and to date, have helped thousands of people\* in real estate through our platform, starting with investments at only \$500 and adding only \$50 at a time.

## Become a CalTier Shareholder

As we grow, we are focusing on the following core areas of the business:

- **Improving our technology**
- **Expanding our real estate portfolio**
- **Opening new funds**
- **Adding additional value-add financial services**

These services are part of our business plan to grow CalTier into more than just a real estate crowdfunding company.

Sticking to our ethos, we are opening up the doors again ***for you to become a CalTier Shareholder.***

In the next week or so, you should be getting an email that the latest round of funding has opened, and it will be available to everyone starting at only **\$650 for 100 shares in our company.**

We can't share more details at this point, but as I said, sometime in the next week or so, we will be launching the round, and there will be bonus shares for those who jump in early.

I am looking forward to having you be part of the CalTier shareholder group.

Thanks  
Matt
