Dear Mr. Sharma:

We have reviewed your amended registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

Amendment No. 1 to Registration Statement on Form S-1

Description of Our Business, page 13

1. We note your response to prior comment 2 and we continue to believe that there is some risk you meet the definition of "shell company," given your lack of assets and operations. Please revise to include risk factor that discloses the risks to you of being a "shell company," as defined in Rule 405 of the Securities Act, and the consequences if you satisfy that definition.
