- **Multimedia Communications Manager**

Apr 2011 – Feb 2014 · 2 yrs 11 mos

Menlo Park, CA

I assembled and led a team of multimedia producers (photography, video production and post-production, live events) to create and distribute visual content for the promotion of science at SLAC. We tailored our messages to a variety of audiences -- from policy makers and scientists to the general public.

Multimedia Communications

May 2010 – Jul 2011 · 1 yr 3 mos

I developed SLAC's first dedicated multimedia production program, and I produced video and photographic content for the Lab as a team member within the Communications group.

Managing Editor

The Auk

Jun 2000 – Aug 2004 · 4 yrs 3 mos

I managed the daily operations of The Auk, the oldest continuously published academic journal in North America, specializing in ornithology. During my time with The Auk I redesigned the production and publication side of the office, moving from a paper-based operation to an online submission and review system; re-negotiating the printing contract; and hirin ...[see mor](#)
