Moonshot Junior Inc. is a Silicon Valley-based startup, that is remodeling the concept of empowering today's builders and innovators, and turning them into tomorrow's educators and entrepreneurs. Our cutting-edge platform and products strive to uncover and nurture the STEAM skills in children. The best part is, this platform is an overlay around the ideas, projects and products straight out of the creative minds of children between 7-17 years, with some guidance from subject-matter experts where necessary.

We take pride in helping any kid who has questions, ideas, and above all, curiosity, f ...[see mor](#)

Stewart Mohammadi

Head of SEO @ Workato

February 14, 2014, Stewart reported directly to Alok

Alok has keen insights into what factors drive effective search campaigns. His ideas concerning content strategy have moved the needle in terms of traffic and revenue, but they enjoy the added benefit of being scalable. It's been a pleasure working with him.

Houston Jayne

Digital Marketing | eCommerce | Consumer Apps

November 26, 2013, Alok worked with Houston in the same group

Alok brings a vast vast knowledge of experience in online marketing and SEO. He's passionate about his work and dedicated to achieving success. He has a refreshing curiosity about how things work and learning from his peers. Personally, he's a blast to hang out with and talk about life.
