Experience

Founder
Unitonomy

Jun 2019 – Present · 1 yr 3 mos
Louisville, Kentucky Area

Unitonomy is making culture management software for knowledge workers and their teams.

We're primarily focused on helping remote teams augment communication. Try GetCommit.com (knowledge transfer), OrgVitals.com (collaboration and culture analytics), or Glvvv.com (solves emailing yourself) for free!

Pledger

Founders Pledge

Jan 2020 – Present · 8 mos

I'm excited to be a member of Founders Pledge. We're a global community of entrepreneurs finding and funding solutions to the world's most pressing problems. Every member, including myself, has made a legally binding commitment to donate a portion of personal proceeds on liquidity to social causes. The Founders Pledge team provides charity research and [...see mor](#)

Entrepreneur In Residence

University of Louisville

May 2019 – Nov 2019 · 7 mos

Louisville, Kentucky Area

Advising researchers inside the university on commercialization options.

Game Design & Game Dynamics Consultant

Independent Game Designer & Consultant

Jan 2008 – Nov 2019 · 11 yrs 11 mos

Remote

I work with startups to help develop their product user experience to include a game layer. This includes thinking through the acquisition and retention of the users by balancing dynamic incentives, rewards, and feedback mechanisms.

Co-Founder and Head of Product

TouchCast

Mar 2012 – Jun 2019 · 7 yrs 4 mos

Greater New York City Area

TouchCast, a start-up headquartered in New York, is a communications technology company whose products and solutions help individuals, teams and enterprises communicate and collaborate more effectively.
