Tone No Tone

Oct 2013 – Oct 2016 · 3 yrs 1 mo

Greater New York City Area

Tone No Tone is a company that fuses music and technology. Our first product is Echo: A Music Game, a unique music based puzzler. Echo was released online in late February 2014 and in the Apple App Store in March 2014. Responsibilities on Echo included game design, architecture design, UI design, product strategy, build system creation and management, and the ...[see more](#)

Joe Mordetsky

Engineering at Bloomberg LP

June 6, 2013, Chris worked with Joe in the same group

Chris is an amazing technologist with a knack for tearing into tough challenges, but he also has the rare attributes of empathy and leadership, such that he inspires the people around him. He understands developers (and people really) and what makes them tick and as a result is one of the most effective ... [See](#)
