Amendment No. 7 to Offering Statement on Form 1-A Filed January 5, 2023

General

1. We note your response to comment 1 and reissue in part. We acknowledge the change in your offering statement stating that you have 500 million outstanding shares of common stock, when previously you had disclosed 300 million. However, as per your Certification of Incorporation you have 500 million authorized and per Item 6 of Part I of your offering circular, you have so far issued 300 million unregistered securities. Please revert the language to its original form to clearly distinguish between the number of shares authorized for issuance as compared to the number of shares actually issued and outstanding.
