### Experience

## Co-Founder / CEO

The Gap Year Girls

Apr 2018 – Present · 2 yrs 8 mos

The goal of the Gap Year Girls is to empower women to take intentional time off (even if taken for less than an hour each day), enabling us to understand who we are and what we truly desire, and ultimately, helping us to move fearlessly forward in life becoming the women we want to be.

## Volunteer Coach

Girls on the Run of the Bay Area

Mar 2013 – Mar 2014 · 1 yr 1 mo

After participating in the program for 6 years as a young girl, I returned as a volunteer Girls On The Run Coach to support their after-school program being offered at my local elementary school.

As a coach, I worked with my team to facilitate an experience that helped our girls get a better understanding of who they are and what's important to them, explore the importance of teamwork and healthy relationships, and understand how they can positively connect with and shape the world.

Physical activity is woven into the program to inspire an appreciation of fitness and to build habits that lead to a lifetime of health. At the end of each three-month session, I support the girls to participate in a Girls on the Run 5K event. This celebratory, non-competitive event is the culminating experience of the curriculum. Assisting in their completion of the 5K gives the girls a tangible understanding of the confidence that comes through accomplishment as well as a framework for setting and achieving life goals.
