Kaleidoscope Learning

Northwestern University

Experience

President and CEO

Kaleidoscope Learning · Full-time
Mar 1998 – Present · 22 yrs 11 mos
New York, NY

Kaleidoscope Learning leverages its expertise in the science and psychology of learning in order to design and develop educationally-sound e-learning solutions. Kaleidoscope provides full-service e-learning consulting and development services and, in addition, has created the Encompass e-learning platform for both large and small organizations. The Encompass platform's built-in learning models help users quickly produce and deploy educationally-sound interactive training.

Barbara Kidzus

Elearning content specialist
| Voiceover artist at
Freelance | Self-Employed

March 15, 2014, David worked
with Barbara in different groups

I worked with Barbara at a company, Learning Sciences Corporation (now called Cognitive Arts), that was in the process of growing dramatically in terms of both staff (from a handful of people to over 100 in a very short time) and clients. Barbara played a variety of key roles, including managerial an... See
