Jonathan Ballesteros

Founder & CEO - Geysers Technologies
Montrose, Colorado, United States

Summary

Jonathan Ballesteros is the founder & CEO of Geysers Systems. The enterprise develops and manufactures water management systems that make the most of every drop of water. The flagship product is a hot, portable shower that uses less than 1 gallon of water and is 100% manufactured in Colorado.

In 2020, Geysers Systems was presented the Small Business Excellence Award of Colorado. In 2021, REI CO-OP highlighted Geysers Systems as a Innovation Series Success Story. In 2022, the Geysers System was awarded finalist status in Colorado's Most Innovative Product Of The Year Award.

Before starting Geysers Systems, Jonathan was Global Product Manager at Stryker Neurovascular, where he advanced tools and trained physicians how to quickly remove clots causing strokes. He holds a bachelors degree in industrial engineering from Texas A&M and an MBA from the University Of Texas.
