Meet the Team (Management)

Adams has 20 years experience in the consumer packaged goods industry (CPG) from cart attendant at 15 years old to Sr. Director @ Clorox where he led their FDM Supplement team. He developed go to market strategy leading to 550% growth over 4 years and establishing distribution of 3 supplement brands into EVERY major retailer in the US. Adams leads the Root'd Strategy and day-to-day operations.

(2) Eduardo Silva - Creative Director

Eduardo has 25+ years of brand development with experiences ranging from small startups to well-established CPG brands. He also has extensive knowledge in supplements with 20+ years of experience in this specific space.

(3) Evelyn Lee - HR/Compliance

How we make money (Business Model)

Root'd sells in traditional Brick and mortar retailers, through distributors such as KeHE or Threshold, and online through its own shopify site, amazon, and others. Root'd average gross margin selling to these retailers is 55%.

Who uses our product (Market)

With 47% of consumers suffering from pill swallowing challenges, and a further 70% looking to reduce the amount of sugar in their diets, Root'd gives women, men, and prenatal mom's to be a long-overdue third option to our pill and sugar gummy dominated supplement routines! The best part? Root'd isn't just easier, it's WAY better too! While traditional "multi's" only give you a select few nutrients, Root'd BOOSTS your daily routine by infusing the essential nutrients our bodies need every day, with digestive probiotics, energizing organic superfoods, PLUS hydrating electrolytes into one ahhhazing drink mix!

Who are our competitors (Competition)

While we are the first powder multivitamin formulated for Men/Women, we have several notable competitors in the Multivitamin and Hydration Sets. The chart in our pitch deck will illustrate this well, but let's start with Multivitamins. We compete against premium "natural" multivitamins. Brands like Garden of Life, Rainbow Light (my alma mater), New Chapter, Smarty Pants, etc. Our two critical points of difference are 1) powder form 2) a true MULTI with more than just vitamins and minerals – Electrolytes, superfoods, and probiotics. Turning to hydration, our main competitors are Liquid IV, Hydrant, Ultima Replenisher, etc. . Our two critical points of difference are 1) Way more than just hydration with essential vitamins/minerals, probiotics, plus superfoods, 2) sugar-free.

Owner Story

Meet the founder of Root'd, Adams Chimera

What inspired you to create your company?

Owning my own business is something I've just always wanted to do (well, that, and be a pilot. I'm a plane super nerd!). I watched so many companies put a pure focus on profit w/out soul, and thought I could do something super cool if I could create a business and product centered around all the people involved. To me, owning your own business is one of the ultimate forms of fulfillment (aka, happiness) if it's something you're passionate about. That's why I chose the mission to help people + planet get healthier, and we center all our culture and goals around that mission. I honestly can't wait to get to work every day!

What has been your favorite part about building your company?

I was never built to do just one task or roll for a long period of time. I love jumping from task to task, then going back up to 35,000 ft to think about strategy, then getting my hands dirty with our product, then doing whatever else is needed. All of that is super fun to me, and I find myself literally learning something new every day. The whole experience is really humbling, as you realize more and more each day, that there is so much you don't know, and so much to learn from those around you.

What has been your biggest obstacle so far?

It was 2018 and I had just been awarded this huge contract with Target. At the time, I lead the private label vitamin team @Clorox, and Target tasked us with launching 34 new products in 12 months. The standard lead time for just 1 custom product is 16 months in supplements, so yeah, this was easy for sure! Fast forward 12 months, and we pulled it off through collaboration and innovation around the whole process. Honestly, the secret was knowing (and figuring out) who was in charge of what, challenging them to figure out ways to speed the process, and respecting/treating them like humans.

Why should people invest in your company?

Invest if you believe that consumer goods (or specifically supplement brands) can be doing more. More to help people live more sustainably. More to address the real effects of climate change. More to make supplements easier to understand. More to make supplements cleaner, and effective. More to create a work culture that people can get excited about. And of course, more to make money by doing good every day.

However, this information is far more limited than the information that would be required of a publicly-reporting company; and the company is permitted to stop providing information in certain circumstances.

RISK OF CHANGES TO LAWS. Changes in laws or regulations, including but not limited to zoning laws, environmental laws, tax laws, consumer protection laws, securities laws, antitrust laws, and health care laws, could negatively affect the company's financial performance or ability to continue to operate. Specifically, any additional regulation on the industry could negatively impact the business. This applies at federal and local levels.

RISK OF FUTURE INVESTORS HAVING SUPERIOR RIGHTS. If the company needs more capital in the future and takes on additional investors for financing, the new investors might have

rights superior to yours. For example, they might be investors with preferred shares with voting rights that give them a greater voice in management, or otherwise.

RISK OF COVID-19 IMPACT. The ongoing COVID-19 pandemic may impact the company's ability to generate revenue and/or continue operations. If operations are ceased due to COVID-19 controls, the company can not guarantee that it will resume operations in the future.

RISK OF REAL ESTATE RISK. Company is still in the process of securing or extending a lease, which will be necessary to conduct operations. To the extent they are unable to find and secure a location that is adequate, investors may lose some or all of their investment. This risk especially applies to brick and mortar businesses.

RISK OF HAVING A LIMITED OPERATING HISTORY. The company is relatively young and has limited operating history as opposed to an established entity. Having a limited operating history may make it difficult to predict the accuracy of the financial forecast given.

1. Events

*CAMPAIGN PURPOSE ONLY - TO BE EXECUTED SHOULD THE
CAMPAIGN MEET THE FUNDING GOAL*

(a) **Qualified Equity Financing.** If there is a Qualified Equity Financing before the termination of this SAFE, on the initial closing of such Qualified Equity Financing, this SAFE will automatically convert into the number of shares of SAFE Capital Stock equal to the quotient obtained by dividing (x) Purchase Amount by (y) the Conversion Price.

In connection with the automatic conversion of this SAFE into shares of SAFE Capital Stock, the Investor will execute and deliver to the Company all of the transaction documents related to the Equity Financing; *provided*, that such documents (i) are the same documents to be entered into with the purchasers of Standard Capital Stock, with appropriate variations for the SAFE Capital Stock if applicable, and (ii) have customary exceptions to any drag-along applicable to the Investor, including (without limitation) limited representations, warranties, liability and indemnification obligations for the Investor.

(b) **Liquidity Event.** If there is a Liquidity Event before the termination of this SAFE, this SAFE will automatically be entitled (subject to the liquidation priority set forth in Section 1(d) below) to receive a portion of Proceeds, due and payable to the Investor immediately prior to, or concurrent with, the consummation of such Liquidity Event, equal to the greater of (i) the Purchase Amount (the “**Cash-Out Amount**”) or (ii) the amount payable on the number of shares of Common Securities equal to the Purchase Amount divided by the Liquidity Price (the “**Conversion Amount**”). In connection with this Section 1(b), the Cash-Out Amount will be due and payable by the Company to the Investor immediately prior to, or concurrent with, the consummation of the Liquidity Event. If any of the Company’s securityholders are given a choice as to the form and amount of Proceeds to be received in a Liquidity Event, the Investor will be given the same choice, *provided* that the Investor may not choose to receive a form of consideration that the Investor would be ineligible to receive as a result of the Investor’s failure to satisfy any requirement or limitation generally applicable to the Company’s securityholders, or under any applicable laws. If there are not enough funds to pay the Investor and holders of other SAFEs in full in the event of a Liquidity Event (collectively, the “**Cash-Out Investors**”), all of the Company’s available funds will be distributed in accordance with the liquidation priority set forth in Section 1(d).

Notwithstanding the foregoing, in connection with a Change of Control intended to qualify as a tax-free reorganization, the Company may reduce the cash portion of Proceeds payable to the Investor by the amount determined by its board of directors, manager, or members in good faith for such Change of Control to qualify as a tax-free reorganization for U.S. federal income tax purposes, provided that such reduction (A) does not reduce the total Proceeds payable to such Investor and (B) is applied in the same manner and on a pro rata basis to all securityholders who have equal priority to the Investor under Section 1(d).

(c) **Dissolution Event.** If there is a Dissolution Event before the termination of this SAFE, the Investor will automatically be entitled to receive a portion of Proceeds equal to the Cash-Out Amount, due and payable to the Investor immediately prior to the consummation of the Dissolution Event, subject to the liquidation priority set forth in Section 1(d).

(d) **Liquidation Priority.** In a Liquidity Event or Dissolution Event, this SAFE is intended to operate like standard non-participating Preferred Securities. The Investor’s right to receive its Cash-Out Amount is:

- (i) Junior to payment of outstanding indebtedness and creditor claims, including contractual claims for payment and convertible promissory notes (to the extent such convertible promissory notes are not actually or notionally converted into Capital Stock);
- (ii) On par with payments for other SAFEs and/or Preferred Securities, and if the applicable Proceeds are insufficient to permit full payments to the Investor and such other SAFEs and/or Preferred Securities, the applicable Proceeds will be distributed pro rata to the Investor and such other SAFEs and/or Preferred Securities in proportion to the full payments that would otherwise be due; and

*CAMPAIGN PURPOSE ONLY - TO BE EXECUTED SHOULD THE
CAMPAIGN MEET THE FUNDING GOAL*

(iii) Senior to payments for Common Securities.

The Investor's right to receive its Conversion Amount is (A) on par with payments for Common Securities and other SAFEs and/or Preferred Securities who are also receiving Conversion Amounts or Proceeds on a similar as-converted to Common Securities basis, and (B) junior to payments described in clauses (i) and (ii) above (in the latter case, to the extent such payments are Cash-Out Amounts or similar liquidation preferences).

(e) **Termination.** This SAFE will automatically terminate (without relieving the Company of any obligations arising from a prior breach of or non-compliance with this SAFE) immediately following the earliest to occur of: (i) the issuance of SAFE Capital Stock to the Investor pursuant to the automatic conversion of this SAFE under Section 1(a); or (ii) the payment, or setting aside for payment, of amounts due the Investor pursuant to Section 1(b) or Section 1(c).

2. Definitions

"Capital Stock" shall mean the Common Securities or Preferred Securities of the Company.

"Change of Control" means (i) a transaction or series of related transactions in which any "person" or "group" (within the meaning of Section 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended), becomes the "beneficial owner" (as defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended), directly or indirectly, of more than 50% of the outstanding voting securities of the Company having the right to vote for the election of members of the Company's board of directors or the election of the Company's manager, (ii) any reorganization, merger or consolidation of the Company, other than a transaction or series of related transactions in which the holders of the voting securities of the Company outstanding immediately prior to such transaction or series of related transactions retain, immediately after such transaction or series of related transactions, at least a majority of the total voting power represented by the outstanding voting securities of the Company or such other surviving or resulting entity or (iii) a sale, lease or other disposition of all or substantially all of the assets of the Company.

"Common Securities" means common limited liability company membership interests of the Company or, if the Company is structured or restructured as a corporation, common stock of the Company, including the securities issuable upon the conversion of this instrument pursuant to Sections 1(a) or 1(b). For the purposes of this SAFE, "common limited liability company membership interests" refers to those interests in the Company that, as of the relevant event, would be last to receive a repayment of all capital contributions made in respect to such interests.

- Includes all Converting Securities;
- Includes all (i) issued and outstanding Options and (ii) Promised Options; and
- Includes the Unissued Option Pool, except that any increase to the Unissued Option Pool in connection with the Qualified Equity Financing shall only be included to the extent that the number of Promised Options exceeds the Unissued Option Pool prior to such increase.

"Conversion Price" means the either: (1) the SAFE Price or (2) the Discount Price, whichever calculation results in a greater number of shares of SAFE Capital Stock.

"Converting Securities" includes this SAFE and other convertible securities issued by the Company, including but not limited to: (i) other SAFEs; (ii) convertible promissory notes and other convertible debt instruments; and (iii) convertible securities that have the right to convert into shares of Capital Stock.

“**Dividend Amount**” means, with respect to any date on which the Company pays a dividend on its outstanding Common Securities, the amount of such dividend that is paid per share of Common Securities multiplied by (x) the Purchase Amount divided by (y) the Liquidity Price (treating the dividend date as a Liquidity Event solely for purposes of calculating such Liquidity Price).

“**Initial Public Offering**” means the closing of the Company’s first firm commitment underwritten initial public offering of Common Securities pursuant to a registration statement filed under the Securities Act.

“**Liquidity Capitalization**” is calculated as of immediately prior to the Liquidity Event, and (without double-counting, in each case calculated on an as-converted to Common Securities basis):

- Includes all shares of Capital Stock issued and outstanding;
- Includes all (i) issued and outstanding Options and (ii) to the extent receiving Proceeds, Promised Options;
- Includes all Converting Securities, **other than** any SAFEs and other convertible securities (including without limitation shares of Preferred Securities) where the holders of such securities are receiving Cash-Out Amounts or similar liquidation preference payments in lieu of Conversion Amounts or similar “as-converted” payments; and
- Excludes the Unissued Option Pool.

“**Liquidity Event**” means a Change of Control, a Direct Listing or an Initial Public Offering.

“**Liquidity Price**” means the price per share equal to the Post-Money Valuation Cap divided by the Liquidity Capitalization.

Such period shall not exceed one hundred eighty (180) days, or such other period as may be requested by the Company or an underwriter to accommodate regulatory restrictions on (i) the publication or other distribution of research reports, and (ii) analyst recommendations and opinions.

“**Promised Options**” means promised but ungranted Options that are the greater of those (i) promised pursuant to agreements or understandings made prior to the execution of, or in connection with, the term sheet or letter of intent for the Qualified Equity Financing or Liquidity Event, as applicable (or the initial closing of the Qualified Equity Financing or consummation of the Liquidity Event, if there is no term sheet or letter of intent), (ii) in the case of a Qualified Equity Financing, treated as outstanding Options in the calculation of the Standard Capital Stock’s price per share, or (iii) in the case of a Liquidity Event, treated as outstanding Options in the calculation of the distribution of the Proceeds.

“**Qualified Equity Financing**” shall mean the next sale (or series of related sales) by the Company of its Preferred Securities to one or more third parties following the date of this instrument from which the Company receives gross proceeds of not less than \$100,000 cash or cash equivalent (excluding the conversion of any instruments convertible into or exercisable or exchangeable for Preferred Securities, such as SAFEs or convertible promissory notes) with the principal purpose of raising capital.

“**Regulation CF**” means Regulation Crowdfunding promulgated under the Securities Act.

“**SAFE**” means an instrument containing a future right to shares of SAFE Capital Stock, similar in form and content to this instrument, purchased by investors for the purpose of funding the Company’s business operations. References to “this SAFE” mean this specific instrument.

“**SAFE Capital Stock**” means the shares of the series of Capital Stock issued to the Investor in a Qualified Equity Financing, having the identical rights, privileges, preferences, and restrictions as the shares of Standard Capital Stock, except:

- (i) SAFE Capital Stock holders shall have no voting rights and shall not be entitled to vote on any matter that is submitted to a vote for the consent of the stockholders of the Company;
- (ii) Each of the SAFE Capital Stock holders shall enter into a proxy agreement, in the form of **Exhibit A** attached hereto, appointing the Company as its irrevocable proxy with respect to any matter to which SAFE Capital Stock holders are entitled to vote by law. Entering into such proxy agreement is a condition of receiving SAFE Capital Stock and such agreement provides that the Company will vote with the majority of the holders of the relevant class of the Company's Capital Stock on any matters to which the proxy agreement applies;
- (iii) SAFE Capital Stock holders have no information or inspection rights with respect to such rights deemed not waivable by law;
- (iv) The per share liquidation preference and the initial conversion price for purposes of price-based anti-dilution protection will equal the Conversion Price; and
- (v) The basis for any dividend rights will be based on the Conversion Price.

*CAMPAIGN PURPOSE ONLY - TO BE EXECUTED SHOULD THE

This SAFE constitutes valid and binding obligation of the Investor, enforceable in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity.

(b) The Investor has been advised that this instrument and the underlying securities have not been registered under the Securities Act or any state securities laws and are offered and sold hereby pursuant to Section 4(a)(6) of the Securities Act. (c) The Investor is purchasing this instrument and the securities to be acquired by the Investor hereunder for its own account for investment, not as a nominee or agent, and not with a view to, or for resale in connection with, the distribution thereof, and the Investor has no present intention of selling, granting any participation in, or otherwise distributing the same. Each Investor understands that the SAFEs nor the securities to be acquired by the Investor have not been, and will not be, registered under the Securities Act or any state securities laws, by reason of specific exemptions under the provisions thereof which depend upon, among other things, the bona fide nature of the investment intent and the accuracy of each Investor's representations as expressed herein.

(d) The Investor acknowledges, and is purchasing this instrument (i) in compliance with the investment limitations set forth in Rule 100(a)(2) of Regulation CF, promulgated under Section 4(a)(6)(B) of the Securities Act, as amended, effective March 15, 2021, or (ii) as an "Accredited Investor", as that term is defined in Rule 501 of Regulation D. In deciding to purchase this instrument, the Investor is not relying on the advice or recommendations of the Company or Miventure, Inc., and the Investor has made its own independent decision that an investment in this instrument and the underlying securities is suitable and appropriate for the Investor. The Investor understands that no federal or state agency has passed upon the merits or risks of an investment in this instrument and the underlying securities or made any finding or determination concerning the fairness or advisability of this investment.

(f) The Investor understands and acknowledges that as a Crowd SAFE investor, the Investor shall have no voting, information or inspection rights, aside from any disclosure requirements the Company is required to make under relevant securities regulations.

(g) The Investor understands that no public market now exists for any of the securities issued by the

Company, and that the Company has made no assurances that a public market will ever exist for this instrument and the securities to be acquired by the Investor hereunder.

(h) The Investor is not (i) a citizen or resident of a geographic area in which the purchase or holding of the SAFE and the underlying securities is prohibited by applicable law, decree, regulation, treaty, or administrative act, (ii) a citizen or resident of, or located in, a geographic area that is subject to U.S. or other applicable sanctions or embargoes, or (iii) an individual, or an individual employed by or associated with an entity, identified on the U.S. Department of Commerce's Denied Persons or Entity List, the U.S. Department of Treasury's Specially Designated Nationals List, the U.S. Department of State's Debarred Parties List or other applicable sanctions lists. Investor hereby represents and agrees that if Investor's country of residence or other circumstances change such that the above representations are no longer accurate, Investor will immediately notify Company. Investor further represents and warrants that it will not knowingly sell or otherwise transfer any interest in the SAFE or the underlying securities to a party subject to U.S. or other applicable sanctions.

(i) If the Investor is not a United States person (as defined by Section 7701(a)(30) of the Internal Revenue Code of 1986, as amended), the Investor hereby represents that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to subscribe for this instrument, including (a) the legal requirements within its jurisdiction for the purchase of this instrument; (b) any foreign exchange restrictions applicable to such purchase; (c) any governmental or other consents that may need to be obtained; and (d) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, conversion, redemption, sale, or transfer of this instrument. The Investor's subscription and payment for and continued beneficial ownership of this instrument and the underlying securities will not violate any applicable securities or other laws of the Investor's jurisdiction. The Investor acknowledges that the Company has taken no action in foreign jurisdictions with respect to this instrument and the underlying securities.

(j) Each Investor further acknowledges that it has read, understood, and had ample opportunity to ask Company questions about its business plans, "Risk Factors," and all other information presented in the Company's Form C (or Form C-A) and the offering documentation filed with the SEC.

(k) Each Investor represents that the Investor understands the substantial likelihood that the Investor will suffer a **TOTAL LOSS** of all capital invested, and that Investor is prepared to bear the risk of such total loss.

5. Transfer Restrictions.

(a) The Investor hereby agrees that during the Lock-up Period it will not, without the prior written consent of the managing underwriter: (A) lend; offer; pledge; sell; contract to sell; sell any option or contract to purchase; purchase any option or contract to sell; grant any option, right, or warrant to purchase; or otherwise transfer or dispose of, directly or indirectly, any shares of Capital Stock or any securities convertible into or exercisable or exchangeable (directly or indirectly) for Capital Stock (whether such shares or any such securities are then owned by the Investor or are thereafter acquired); or (B) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of such securities; whether any such transaction described in clause (A) or (B) above is to be settled by delivery of Capital Stock or other securities, in cash, or otherwise.

(b) The foregoing provisions of Section 5(a) will: (x) apply only to the Initial Public Offering and will not apply to the sale of any shares to an underwriter pursuant to an underwriting agreement; (y) not apply to the transfer of any shares to any trust for the direct or indirect benefit of the Investor or the immediate family of the Investor, provided that the trustee of the trust agrees to be bound in writing by the restrictions set forth herein, and provided further that any such transfer will not involve a disposition for value; and (z) be applicable to the Investor only if all officers and directors of the Company are subject to the same restrictions and the Company uses commercially reasonable efforts to obtain a similar agreement from all stockholders individually owning

*CAMPAIGN PURPOSE ONLY - TO BE EXECUTED SHOULD THE

more than 5% of the outstanding Capital Stock or any securities convertible into or exercisable or exchangeable (directly or indirectly) for Capital Stock. Notwithstanding anything herein to the contrary, the underwriters in connection with the Initial Public Offering are intended third-party beneficiaries of Section 5(a) and will have the right, power and authority to enforce the provisions hereof as though they were a party hereto. The Investor further agrees to execute such agreements as may be reasonably requested by the underwriters in connection with the Initial Public Offering that are consistent with Section 5(a) or that are necessary to give further effect thereto.

(c) In order to enforce the foregoing covenant, the Company may impose stop transfer instructions with respect to the Investor's registrable securities of the Company (and the Company shares or securities of every other person subject to the foregoing restriction) until the end of the Lock-up Period. The Investor agrees that a legend reading substantially as follows will be placed on all certificates representing all of the Investor's registrable securities of the Company (and the shares or securities of the Company held by every other person subject to the restriction contained in Section 5(a)):

THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO A LOCK-UP PERIOD BEGINNING ON THE EFFECTIVE DATE OF THE COMPANY'S REGISTRATION STATEMENT FILED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, AS SET FORTH IN AN AGREEMENT BETWEEN THE COMPANY AND THE ORIGINAL HOLDER OF THESE SECURITIES, A COPY OF WHICH MAY BE OBTAINED AT THE COMPANY'S PRINCIPAL OFFICE. SUCH LOCK-UP PERIOD IS BINDING ON TRANSFERREES OF THESE SECURITIES.

(d) Without in any way limiting the representations and warranties set forth in Section 4 above, the Investor further agrees not to make any disposition of all or any portion of this instrument or the underlying securities unless and until the transferee has agreed in writing for the benefit of the Company to make the representations and warranties set out in Section 4 and the undertaking set out in Section 5(a) and:

- (i) There is then in effect a registration statement under the Securities Act covering such proposed disposition and such disposition is made in accordance with such registration statement; or
- (ii) The Investor shall have notified the Company of the proposed disposition and shall have furnished the Company with a detailed statement of the circumstances surrounding the proposed disposition and, if reasonably requested by the Company, the Investor shall have furnished the Company with an opinion of counsel reasonably satisfactory to the Company that such disposition will not require registration of such shares under the Securities Act.

(e) The Investor agrees that it shall not make any disposition of this instrument or any underlying securities to any of the Company's competitors, as determined by the Company in good faith.

(f) The Investor understands and agrees that the Company will place the legend set forth below or a similar legend on any book entry or other forms of notation evidencing this SAFE and any certificates evidencing the underlying securities, together with any other legends that may be required by state or federal securities laws, the Company's charter or bylaws, any other agreement between the Investor and the Company or any agreement between the Investor and any third party:

Exhibit A – SAFE Capital Stock Proxy Agreement

Irrevocable Proxy

Reference is hereby made to a certain Crowdfunding Simple Agreement for Future Equity (the “**Crowd SAFE**”) dated below between the Company and the Investor referenced below. In connection with a conversion of Investor’s investment in the Crowd SAFE into Capital Stock of a SAFE Capital Stock (as defined in the Crowd SAFE) pursuant to the Crowd SAFE, the Investor and the Company hereby agree as follows:

ISSUER NAME:	Life Vitamin Co. LLC, (the “Company”)
ISSUER ENTITY TYPE:	California Limited Liability Company
INVESTOR NAME:	[full name] (the “Investor”)
CROWD SAFE PURCHASE AMOUNT:	[\$purchase amount]
CROWD SAFE PURCHASE DATE:	[purchase date]

1) Grant of Irrevocable Proxy.

a) With respect to all of the shares of Capital Stock of the series of SAFE Capital Stock owned by the Investor as of the date of this Irrevocable Proxy or any subsequent date (the “**Shares**”), Investor hereby grants to the Company an irrevocable proxy under Section 212 of the Delaware General Corporation Law or Section 302 of the Delaware Limited Liability Company Act, as applicable, to vote the Shares consistent with the vote of the majority of holders of Standard Capital Stock, as that term is defined in the Crowd SAFE of which this Exhibit A is an attachment. For the avoidance of doubt, the Company, as holder of the irrevocable proxy (rather than the Investor), shall vote the Shares with respect to all shareholder meetings and other actions (including actions by written consent in lieu of a meeting) on which holders of Shares may be entitled to vote, consistent with the vote of the majority holders of Standard Capital Stock. This proxy revokes any other proxy granted by the Investor at any time with respect to the Shares.

b) The Company shall have no duty, liability or obligation whatsoever to the Investor arising out of the Company’s exercise of this irrevocable proxy. The Investor expressly acknowledges and agrees that (i) the Investor will not impede the exercise of the Company’s rights under this irrevocable proxy and (ii) the Investor waives and relinquishes any claim, right or action the Investor might have, as a stockholder of the Company or otherwise, against the Company or any of its affiliates or agents (including any directors, officers, managers, members, and employees) in connection with any exercise of the irrevocable proxy granted hereunder.

c) This irrevocable proxy shall expire as to those Shares on the earlier of (i) the date that such Shares are converted into Common Securities of the Company or (ii) the date that such Shares are converted to cash or a cash equivalent but shall continue as to any Shares not so converted.

*CAMPAIGN PURPOSE ONLY - TO BE EXECUTED SHOULD THE
CAMPAIGN MEET THE FUNDING GOAL*

- 2) **Legend.** The Investor agrees to permit an appropriate legend on certificates evidencing the Shares or any transfer books or related documentation of ownership reflecting the grant of the irrevocable proxy contained in the foregoing Section 1.
- 3) **Representations and Warranties.** The Investor represents and warrants to the Company as follows:
- a) The Investor has all necessary rights, power and authority to execute, deliver and perform his obligations under this Irrevocable Proxy. This Irrevocable Proxy has been duly executed and delivered by the Investor and constitutes such Investor's legal and valid obligation enforceable against the Investor in accordance with its terms.
- b) The Investor is the record owner of the Shares listed under the name on this Appendix A and the Investor has plenary voting and dispositive power with respect to such Shares; the Investor owns no other shares of the capital stock of the Company; there are no proxies, voting trusts or other agreements or understandings to which such Investor is a party or bound by and which expressly require that any of the Shares be voted in any specific manner other than pursuant to this irrevocable proxy; and the Investor has not entered into any agreement or arrangement inconsistent with this Irrevocable Proxy.
- 4) **Equitable Remedies.** The Investor acknowledges that irreparable damage would result if this Irrevocable Proxy is not specifically enforced and that, therefore, the rights and obligations of the Company may be enforced by a decree of specific performance issued by arbitration pursuant to the Crowd SAFE, and appropriate injunctive relief may be applied for and granted in connection therewith. Such remedies shall, however, not be exclusive and shall be in addition to any other remedies that the Company may otherwise have available.
- 5) **Defined Terms.** All terms defined in this Irrevocable Proxy shall have the meaning defined herein. All other terms will be interpreted in accordance with the Crowd SAFE.
- 6) **Amendment.** Any provision of this instrument may be amended, waived or modified only upon the written consent of the (i) the Investor; and (ii) the Company.
- 7) **Assignment.**
- a) In the event the Investor wishes to transfer, sell, hypothecate or otherwise assign any Shares, the Investor hereby agrees to require, as a condition of such action, that the counterparty or counterparties thereto must enter into a proxy agreement with the Company substantially identical to this Irrevocable Proxy.
- b) The Company may transfer its rights as Holder under this instrument after giving prior written notice to the Investor.
- 8) **Severability.** In the event any one or more of the terms or provisions of this instrument is for any reason held to be invalid, illegal or unenforceable, in whole or in part or in any respect, or in the event that any one or more of the terms or provisions of this instrument operate or would prospectively operate to invalidate this instrument, then such term(s) or provision(s) only will be deemed null and void and will not affect any other term or provision of this instrument and the remaining terms and provisions of this instrument will remain operative and in full force and effect and will not be affected, prejudiced, or disturbed thereby.
