Item 8.01 Other Events.

On June 12, 2007, Cleco Corporation (“Cleco”) announced that the Federal Energy Regulatory Commission (the “FERC”) approved a Stipulation and Consent Agreement (the “Agreement”) between the FERC’s Office of Enforcement (“Enforcement”) and Cleco and certain of its subsidiaries that resolves issues related to Enforcement’s nonpublic investigation into Cleco’s compliance with provisions of a July 2003 FERC-approved Stipulation and Consent Agreement (the “2003 Agreement”). The 2003 Agreement settled the FERC investigation following Cleco’s disclosure in November 2002 of certain energy marketing and trading practices.

The terms of the Agreement, include, but are not limited to: (i) payment of a civil penalty of \$2.0 million, which payment may not be passed through, directly or indirectly, to any present or future customers or ratepayers, and (ii) adherence to a new one-year compliance plan. The financial impact of the civil penalty has been fully accrued by Cleco as of the end of the first quarter of 2007. A copy of the Agreement is attached to this Current Report as Exhibit 99.2.
