smaller public floats. Revise to include a separate risk factor addressing the potential for rapid and substantial price volatility and any known factors particular to your offering that may add to this risk and discuss the risks to investors when investing in stock where the price is changing rapidly. Clearly state that such volatility, including any stock-run up, may be unrelated to your actual or expected operating performance and financial condition or prospects, making it difficult for prospective investors to assess the rapidly changing value of your stock.

Consolidated Financial Statements, page F-1

3. We note your filing includes audited financial statements that are older than 12 months. Please provide updated audited financial statements pursuant to Item 8.A.4 of Form 20-F or provide the appropriate representations in an exhibit. Refer to Instruction 2 to Item 8.A.4.

Note 17. Subsequent Events, page F-26

4. Please consider and disclose any other non-recognized subsequent event that is of such a nature that it must be disclosed to keep the financial statements from being misleading to investors. Refer to ASC 855-10-50-2.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

Refer to Rules 460 and 461 regarding requests for acceleration. Please allow adequate time for us to review any amendment prior to the requested effective date of the registration statement.

You may contact Joseph Cascarano, Senior Staff Accountant, at 202-551-3376 or Robert Littlepage, Accounting Branch Chief, at 202-551-3361 if you have questions regarding comments on the financial statements and related matters.
