Most recently she was the General Manager of Haymaker on Manor Rd. in East Austin and before that the General Manager of South Lamar staple, Olivia Restaurant. She is a level one Sommelier and is pursuing the certified Sommelier accreditation. In addition, she is a certified Bourbon Steward. She is also a certified beer server seeking her certified Cicerone.

Michelle Chapa, Co-owner

Michelle has a 20 year background at Travel Centers of America in sales and merchandising. She is also efficient customer service. In addition, she controlled day to day operations including but not limited to inventory ordering, inventory control, accounts payable/receivable and basic

bookkeeping. She is ASE Certified in parts sales.

Our Story

Brittney Hitzfelder and her sister Michelle Chapa were both born and raised in New Braunfels, TX. They are descended from two prominent New Braunfels families, Hitzfelder's and Haecker's. That being said, all holidays and birthdays (any other day for that matter) were big gatherings. They grew up being very comfortable in large crowds... in fact most days they prefer the crowds. They would ride the bus after school to their Oma & Opa Haecker's house everyday. There were a myriad of people that showed up to "shoot the shit" with their grandparents. The refrigerator always had cold beer and there was plenty of gossip to go around at their Oma & Opa's house.

- On the Hitzfelder side of the family things were a bit different. Their Omie & Opie Hitzfelder preferred to go out to socialize. They went to the race track every weekend and some weekdays. It didn't matter how far the drive was, Ruidosa, NM, Louisiana Downs, LA, Remington Park, OK or any track in Texas they were there. In the 70's and late 80's they had horses running at most of those tracks. Harold, Brittney and Michelle's father, was the trainer for all of the Hitzfelder family horses.
- The Texas Bred Winner for 1979 was Three Oh's Lass, a horse that was owned by Henry (their Opie) and trained by their father Harold. This horse is the namesake of Lass Café & Cocktails.
- This background instilled the importance of family and friendship into Brittney & Michelle. They hope to combine both atmospheres at Lass Café & Cocktails. Each woman has specific skills that complement each other seamlessly.

Target Market

Lass offers a variety of cuisine for weekend brunch, lunch and dinners. Lass will also offer a wide selection of high quality producer wines by the bottle, glass and on tap. A large selection of local and craft draft beers and bottle beers, craft cocktails on draft and handcrafted will be available.

- We will offer an option that is family friendly and serves food. We will be open 7 days a week as well as early hours on weekends for brunch and soccer crowds.
- Lass will serve as a neighborhood bar in the Rivercrest/Gruene District. Far enough away from the hustle and bustle of Gruene and close enough to draw tourists.

Will the Company accept commitments that exceed the Target Offering Amount?	Yes
What is the maximum you will accept in this Offering?	\$85,000

Other Information on the Investment Process

- Investors may cancel an investment commitment until 48 hours prior to the Offering Deadline.
- MainVest will notify investors when and if the Target Offering Amount has been raised.
- If the Company reaches the Target Offering Amount before the Offering Deadline, it may close the offering early if it provides notice about the new Offering Deadline at least five business days before such new Offering Deadline, absent a material change that would require an extension of the offering and reconfirmation of the investment commitment.
- If an investor does not cancel an investment commitment before the 48-hour period before the Offering Deadline, the funds will be released to the Company upon closing of the offering and the investor will receive securities in exchange for his or her investment.

For additional information about the investment and cancellation process, see the [Educational Materials](#).

(K) Material Changes

In the event the issuer undergoes a material change, the Investor will be notified of such change. The investor will have five (5) business days from the receipt of such notice to reconfirm their investment. IF AN INVESTOR DOES NOT RECONFIRM HIS OR HER INVESTMENT COMMITMENT

WITHIN FIVE (5) DAYS OF THE NOTICE OF MATERIAL CHANGE BEING SENT, THE INVESTOR'S INVESTMENT COMMITMENT WILL BE CANCELLED, THE COMMITTED FUNDS WILL BE RETURNED, AND THE INVESTOR WILL NOT BE ISSUED ANY OF THE SECURITIES REFERENCED IN THIS OFFERING.

Explanation

A “material change” means a change that an average, careful investor would want to know about before making an investment decision. If a material change occurs after you make an investment commitment but before the Offering closes, then the Company will notify you and ask whether you want to invest anyway. If you do not affirmatively choose to invest, then your commitment will be cancelled, your funds will be returned to you, and you will not receive any securities.

(L) Price of the Securities

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as “Notes.” The Notes are being offered at their face amount. For example, you will pay \$1,000 for a Note with a face amount of \$1,000.

(M) Terms of the Securities

Overview

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as the “Notes.” The Terms of the Notes are set forth in the Revenue Share Agreement accompanying this Form C in Appendix A. Copies of the Note and Revenue Sharing Agreement are attached to this Form C.

Summary of Terms

Revenue Percentage ¹	4.0 - 6.8% ²
Payment Deadline	2029-10-01
Maximum Payment Multiple	1.7 x
Sharing Start Date	The first day after disbursement that the company has revenues greater than one (\$1) dollar
First Payment Date	The last day of the calendar quarter ending not less than 90 days after the Sharing Start Date
Seniority	Subordinated
Securitization	Unsecured
Accrual Rate	1.26%

¹ as defined in the note agreement included in Appendix A

² The rate of revenue sharing is calculated on a linear scale with a minimum rate of 4.0% and a maximum rate of 6.8% and is rounded to the nearest 1/10th percent. The final rate is based on the amount raised and is calculated after the offering has successfully closed. As the amount raised in the offering increases, the rate of revenue sharing increases. For example, a hypothetical offering could result in the following revenue sharing percentages, depending on the amount raised:

Amount Raised	Revenue Sharing Percentage
\$50,000	4.0%
\$58,750	4.7%
\$67,500	5.4%
\$76,250	6.1%
\$85,000	6.8%

Your Right to Payments under the Note

Your right to payments under the Note is set forth in the Note, together with a separate document called the Revenue Sharing Agreement. Copies of the Note and Revenue Sharing Agreement are attached to this Form C. Additionally, general terms are outlined below and in the Company’s offering page.

Obligation to Contribute Capital

Once you pay for your Note, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company. However, under some circumstances you could be required by law to return some or all of a distribution you receive from the Company.

No Right to Transfer

You should plan to hold the Notes until maturity. The Notes will be illiquid (meaning you might not be able to sell them) for at least four reasons:

- The Revenue Sharing Agreement prohibits the sale or other transfer of Notes without the Company’s consent.
- If you want to sell your Note the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for Notes, as there would be for a publicly-traded stock.
- By law, for a period of one year you won’t be allowed to transfer the Investor Shares except (i) to the Company itself, (ii) to an “accredited” investor, (iii) to a family or trust, or (iii) in a public offering of the Company’s shares.

Security

The Notes are not secured by any assets of the Company or any assets of persons associated with the Company.

Modification of Terms of Notes

The terms of the Notes and the Revenue Sharing Agreement may be modified or amended with the consent of Investors holding 50% of the Notes, measured by the total amount outstanding under each Note.

Other Classes of Securities

Name of Security	Limited Liability Company Interests
Number of Shares Outstanding	N/A
Describe Voting Rights of These Securities, Including Any Limitations on Voting Rights	N/A
How these securities differ from the revenue sharing notes being offered to investors	Limited Liability Company Interests are an equity interest, whereas Revenue Sharing Notes are a debt obligation of the Company.

Dilution of Rights

The Company has the right to create additional classes of securities, both equity securities and debt securities (e.g., other classes of promissory notes). Some of these additional classes of securities could have rights that are superior to those of the Notes. For example, the Company

could issue promissory notes that are secured by specific property of the Company.

The People Who Control the Company

Each of these people owns 20% or more of the total voting power of the Company:

Name of Holder	% of Voting Power (Prior to Offering)
Michelle Chapa	50%
BRITTNEY HITZFELDER	50%

How the Exercise of Voting Rights Could Affect You

You will receive payments with respect to your Note only if the Company makes enough money to pay you, or, if the Company does not make enough money to pay you, if there is enough value in the collateral the Company pledged as security for the Notes.

The people with voting rights control the Company and make all the decisions about running its business. If they make good business decisions, it is more likely you will be paid. If they make poor business decisions, it is less likely you will be paid. For example, if they hire too many people and/or try to expand too quickly, the business could be harmed. The people with voting rights could also decide to file for bankruptcy protection, making it more difficult for you to be paid.

How the Notes are Being Valued

The Notes are being valued at their face value. We don't anticipate that we'll ever need to place a value on the Notes in the future.

(N) The Funding Portal

The Company is offering its securities through MainVest, Inc., which is a "Funding Portal" licensed by the Securities and Exchange Commission and FINRA. MainVest Inc.'s Central Index Key (CIK) number is 0001746059, their SEC File number is 007-00162, and their Central Registration Depository (CRD) number is 298384.

(O) Compensation of the Funding Portal

Upon successful funding of the Offering, the Funding Portal will receive as the "Revenue Securement Fee"; 3.0% of the amount of the Offering raised by First Time Users of the Platform plus 9.0% of the amount of the Offering raised by all other investors. "First Time Users" means a user of Mainvest.com who became a user only after the Offering was publicly listed on the Site.

(P) Indebtedness of the Company

The Company has no indebtedness outside of the debt the Company is expecting to raise through regulation crowdfunding on MainVest.

(Q) Other Offerings of Securities within the Last Three Years

The Company has not made any offerings with other third-party regulation crowdfunding companies in the past three years.
