(D) The Company's Business and Business Plan

OUR STORY

Cannabis has been a part of our lives for years. It was our mutual friend, our reason for better futures for us, our families and our communities. We met at Commonwealth Alternative Care as budtenders and soon grew as friends when we realized we both had a dream of owning our own business. Our values aligned too; help those who have been historically disenfranchised by societal barriers.

Once Darius got accepted into the Social Equity Program, we both went full force into building this dream together and taking the steps to making it a reality. It was the best decision we both had ever made because it has lead us to limitless education, multiple promotions and countless new professional relationships. These opportunities have contributed to all the basic building blocks for the success of Blazin'!

It was clear this was the way to go and even in the hardest of times, we always have each other to remind one another that if we keep on going we will be able to make a huge difference in our lives and do it selling the one thing that brought us together in the first place, Cannabis!

The Team

Darius Monteiro , Co-Owner

Darius started in the industry as a Patient Service Advocate but soon built, facilitated and became Manager of Commonwealth Alternative Care's Medical Home Delivery Service. After the induction and success of this program Darius decided to further his experience and became Assistant Manager of Commonwealth's Brockton dispensary. This furthered his understanding of METRIC, Adult-Use and Medical regulations, leadership, and all other processes necessary to run a cannabis dispensary. All of this knowledge has provided him with all he needs to run a smooth delivery operation in MA.

Gina Calitri, Co-Owner

Gina Calitri has been in the cannabis industry for almost 4 years and has various levels of experience in sales, community outreach, marketing and more. She started as a Patient Service Advocate at Commonwealth Alternative Care in Taunton but soon built her own position as a Community Outreach Coordinator creating fundraisers and events for serving her communities and soon becoming the Director of Community Outreach for all locations. In the Fall of 2021 Gina got promoted to Cause Marketing Specialist of TILT Holdings, the parent company of Commonwealth Alternative care and now oversees all Cause Marketing, Corp. Social Responsibility and Diversity Equity and Inclusion Efforts.

(K) Material Changes

In the event the issuer undergoes a material change, the Investor will be notified of such change. The investor will have five (5) business days from the receipt of such notice to reconfirm their investment. Explanation

A “material change” means a change that an average, careful investor would want to know about before making an investment decision. If a material change occurs after you make an investment commitment but before the Offering closes, then the Company will notify you and ask whether you want to invest anyway. If you do not affirmatively choose to invest, then your commitment will be cancelled, your funds will be returned to you, and you will not receive any securities.

(L) Price of the Securities

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as “Notes.” The Notes are being offered at their face amount. For example, you will pay \$1,000 for a Note with a face amount of \$1,000.

(M) Terms of the Securities

Overview

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as the “Notes.” The Terms of the Notes are set forth in the Revenue Share Agreement accompanying this Form C in Appendix A. Copies of the Note and Revenue Sharing Agreement are attached to this Form C.

Summary of Terms

Revenue Percentage ¹	1.0 - 1.9% ²
Payment Deadline	2031-07-01
Maximum Payment Multiple ³ - Early Investors - All Other Investors	1.8 x 1.6 x
Sharing Start Date	The first day after disbursement that the company has revenues greater than one (\$1) dollar
First Payment Date	The last day of the calendar quarter ending not less than 90 days after the Sharing Start Date
Seniority	Subordinated
Securitization	Unsecured
Accrual Rate	1.89%

¹ as defined in the note agreement included in Appendix A

² The rate of revenue sharing is calculated on a linear scale with a minimum rate of 1.0% and a maximum rate of 1.9% and is rounded to the nearest 1/10th percent. The final rate is based on the amount raised and is calculated after the offering has successfully closed. As the amount raised in the offering increases, the rate of revenue sharing increases. For example, a hypothetical offering could result in the following revenue sharing percentages, depending on the amount raised:

Amount Raised	Revenue Sharing Percentage
\$55,000	1.0%
\$68,000	1.2%
\$81,000	1.4%
\$94,000	1.7%
\$107,000	1.9%

³ To reward early participation, the investors who contribute the first \$30,000.0 raised in the offering will receive a 1.8x cap. Investors who contribute after \$30,000.0 has been raised in the offering will receive a 1.6x cap.

Your Right to Payments under the Note

Your right to payments under the Note is set forth in the Note, together with a separate document

called the Revenue Sharing Agreement. Copies of the Note and Revenue Sharing Agreement are attached to this Form C. Additionally, general terms are outlined below and in the Company's offering page.

Obligation to Contribute Capital

Once you pay for your Note, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company. However, under some circumstances you could be required by law to return some or all of a distribution you receive from the Company.

No Right to Transfer

You should plan to hold the Notes until maturity. The Notes will be illiquid (meaning you might not be able to sell them) for at least four reasons:

- The Revenue Sharing Agreement prohibits the sale or other transfer of Notes without the Company's consent.
- If you want to sell your Note the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for Notes, as there would be for a publicly-traded stock.
- By law, for a period of one year you won't be allowed to transfer the Investor Shares except (i) to the Company itself, (ii) to an "accredited" investor, (iii) to a family or trust, or (iii) in a public offering of the Company's shares.

Security

The Notes are not secured by any assets of the Company or any assets of persons associated with the Company.

Modification of Terms of Notes

The terms of the Notes and the Revenue Sharing Agreement may be modified or amended with the consent of Investors holding 50% of the Notes, measured by the total amount outstanding under each Note.

Other Classes of Securities

Name of Security	Limited Liability Company Interests
Number of Shares Outstanding	N/A
Describe Voting Rights of These Securities, Including Any Limitations on Voting Rights	N/A
How these securities differ from the revenue sharing notes being offered to investors	Limited Liability Company Interests are an equity interest, whereas Revenue Sharing Notes are a debt obligation of the Company.

Dilution of Rights

The Company has the right to create additional classes of securities, both equity securities and debt securities (e.g., other classes of promissory notes). Some of these additional classes of securities could have rights that are superior to those of the Notes. For example, the Company could issue promissory notes that are secured by specific property of the Company.

The People Who Control the Company

Each of these people owns 20% or more of the total voting power of the Company:

Name of Holder	% of Voting Power (Prior to Offering)
Gina Calitri	49%
Darius Monteiro	51%

How the Exercise of Voting Rights Could Affect You

You will receive payments with respect to your Note only if the Company makes enough money to pay you, or, if the Company does not make enough money to pay you, if there is enough value in the collateral the Company pledged as security for the Notes.

The people with voting rights control the Company and make all the decisions about running its business. If they make good business decisions, it is more likely you will be paid. If they make poor business decisions, it is less likely you will be paid. For example, if they hire too many people and/or try to expand too quickly, the business could be harmed. The people with voting rights could also decide to file for bankruptcy protection, making it more difficult for you to be paid.

How the Notes are Being Valued

The Notes are being valued at their face value. We don't anticipate that we'll ever need to place a value on the Notes in the future.

(N) The Funding Portal

The Company is offering its securities through MainVest, Inc., which is a "Funding Portal" licensed by the Securities and Exchange Commission and FINRA. MainVest Inc.'s Central Index Key (CIK) number is 0001746059, their SEC File number is 007-00162, and their Central Registration Depository (CRD) number is 298384.

(O) Compensation of the Funding Portal

Upon successful funding of the Offering, the Funding Portal will receive as the "Revenue Securement Fee"; 3.0% of the amount of the Offering raised by First Time Users of the Platform plus 9.0% of the amount of the Offering raised by all other investors. "First Time Users" means a user of Mainvest.com who became a user only after the Offering was publicly listed on the Site.

(P) Indebtedness of the Company

The Company has no indebtedness outside of the debt the Company is expecting to raise through

regulation crowdfunding on MainVest.
